

TETON SPRINGS

Volume 8, Issue 1

Winter 2018

*Happy New Year from
Grand Teton Property Management!
We wish you a happy and prosperous
2018!*

SNOW MACHINES

The Teton Springs Homeowners Association would like to remind all owners and their guests of the neighborhood rules as they apply to snow machines:

~Snow machines cannot be operated within the Teton Springs subdivision (this includes on the Golf Course). Snow machines must be on a trailer coming into and out of the subdivision.

~Snow machines cannot be stored on any driveway. They can however be stored within an enclosed garage. Please feel free to contact Grand Teton Property Management if you have any questions or need any clarification on these guidelines.

DESIGN REVIEW COMMITTEE

The DRC will continue to meet during the winter months on the third Wednesday of each month. If you have a project that you wish to get approved, let Demerie Northrop at Grand Teton Property Management know the week prior so you can be included on the agenda.

TRASH REMINDERS

In an effort to avoid any undue attractants for wildlife in Teton Springs please remember that all trash cans must be bear proof and are **not** to be left out on the curb overnight either before or after your scheduled pick-up. Trash pick-up is every **Friday**. Compliance is essential to keep our neighborhood clean and safe for our residents.

2018 BUDGET

We are happy to report that all of the budgets in Teton Springs were approved. Thank you to all of the homeowners who returned their ballots. The budgets are posted on the Teton Springs website. There is no change in dues this year.

SNOW PLOWING

The snow plow contractors will come through the subdivision and work on plowing the streets first. After the streets are clear, driveways should be unplugged. If there is an issue with your driveway, please notify Grand Teton Property Management at your earliest convenience Monday through Friday between 9am and 5pm.

When clearing your driveway please remember to have your snow piled on your property away from the street. Finally, please do not park on the roadways. The snow plows need the streets free from cars to be able to effectively clear the snow. This is especially important for Mountain Meadows where there is very little space to maneuver.

UPDATING OUR RECORDS

Grand Teton Property Management wants to make sure we have the most current and up-to-date contact information for you. If you have an address or phone number change or you would like to share your email address with us, please email Demerie with that information. We are also able to email your quarterly statements to you instead of mailing them. If you are interested in that option, please be sure to drop us a line. dnorthrop@wyom.net

CALENDAR OF EVENTS

DRC

THIRD WEDNESDAY OF EACH MONTH.

ALL PLANS MUST BE SUBMITTED TO GTPM BY THE FRIDAY PRIOR TO THE MEETING

BOARD OF DIRECTORS MEETINGS

MASTER BOD – FEBRUARY 7TH AT 10:00

MOUNTAIN MEADOWS BOD – FEBRUARY 13TH AT 10:00

CABIN BOD – FEBRUARY 5TH AT 4:00

REMINDERS

Wildlife: We are fortunate at Teton Springs to share our habitat with others including bears, coyotes, moose, elk, deer, fox, raccoons, wolves and more. Please keep in mind that these animals are wild and should not be fed nor should they be approached. Please remember to keep your dogs on a leash for their safety as well as for the safety of the wildlife.

Dogs: Again, dogs must be kept on a leash at all times. They are not permitted to run loose. Please stay on the plowed pathway and do not walk your dog on the cart path or the golf course at any time.

Speeding: Please be courteous and mindful of your speed throughout all of Teton Springs. The speed limit is 25 mph for the safety and welfare of all residents and guests.

Ponds: No swimming, boating or ice skating on any lake or pond. Please keep dogs out of the water as well for the health of the ponds and lakes.

DID YOU KNOW?

The start of the winter season is marked with hot cocoa, blustery weather and, in this neck of the woods, outdoor activities aplenty! Did you know that the air doesn't need to be moist to produce large amounts of snowfall? It is the air itself that adds to a bank of fluffy snow. That is why an inch of rain equals about 10" of snow. Did you know that snow falls about 1 to 6 feet per second and come in all sizes ranging from slightly smaller than a penny to the width of a strand of hair? In 1887 witnesses to a snow storm in Ft. Keogh, Montana claimed to see milk-pan sized crystals falling from the sky; that would be a snow flake about 15" wide (the largest ever spotted). While our roads are typically sanded to detract animals from approaching them, salt is more commonly used to melt the ice from roadways. As a matter of fact, more than 22 million tons of salt is used on US roads each winter! We hope you have a wonderful winter and wish you an abundance of snow and fun here in the Tetons!

HOA PAYMENTS

As a reminder, homeowners will be assessed \$50 late fees and 21% interest on any unpaid balances after 30 days.

All correspondence and payments should be mailed to:

Teton Springs HOA
C/O Grand Teton Property Management
PO Box 2282
Jackson, WY 83001
