(d) If Lots or Units are added to or withdrawn from the Common Interest Community or converted to Master Common Area, (i) the Common Expenses liability for each Lot or Unit shall be reallocated on the basis of a fraction, the numerator of which is (1) and the denominator of which is the total number of Lots and Units in the Common Interest Community following the addition, withdrawal or conversion of such Lots or Units, and (ii) one vote in the Master Association shall continue to be allocated to each Lot or Unit in

The Executive Board shall have, and is hereby given, the right and authority to determine in its sole discretion that Household Pets are being kept for commercial purposes, or are otherwise a nuisance to other Lot or Unit Owners or Occupants, or that a Lot or Unit Owner or Occupant is otherwise in violation of this Section 3.17, and to take such action or actions as it deems reasonably necessary to remedy the violation. Without limiting the generality of the foregoing, the Executive Board may require the owner or custodian of a dog that barks or howls excessively, or of a Household Pet with other offensive habits, to confine such animal indoors.

The installing Lot or Unit Owner shall be obligated to paint the antenna so that it blends into the background against which it is mounted and to plant and maintain such reasonable landscaping as will screen the antenna, to the extent feasible, from neighboring Lots, Units, Master Common Areas and the Golf Course. Provided always, that in the event that in any particular situation any of the foregoing requirements or restrictions cause an unreasonable delay or cost in the installation, maintenance or use of the antenna, or prevent the reception of acceptable quality signals, said requirements or restrictions shall be invalid as they apply to that particular situation.

Satellite dishes that exceed one meter in diameter, and MDS antennas that exceed one meter in diameter or diagonal measurement, shall not be allowed within the Common Interest Community. Mast antennas that extend higher than twelve (12) feet above the roof line and antennas that are not used to receive video programming shall only be permitted within the Common Interest Community if they receive the prior written approval of the Development Review Committee as to design, location and screening from neighboring Lots, Units, Master Common Areas and the Golf Course.

3.26 Landscaping. No landscaping shall be performed on any Lot or Unit or on a Master Common Area or Limited Common Area unless a landscaping plan therefor has received the prior written approval of the Development Review Committee, and all landscaping shall comply with the Master Development Guidelines. A landscaping plan for each Lot must be approved by the Development Review Committee before construction is commenced on the residence on that Lot. In each instance, an approved landscaping plan shall be fully implemented and performed within the six (6) month period immediately following (i) the issuance by the Development Review Committee of a Certificate of Compliance for a residence constructed on a Lot, or (ii) the approval of the landscaping plan by the Development Review Committee in all instances not involving the construction of a residence on a Lot.

Notwithstanding the foregoing, no review or approval shall be required for the replacement or replanting of the same or similar kind of trees, or plants, or flowers, or other vegetation that has been previously approved by the Development Review committee for the Lot or Unit in question, in the previously approved location therefor. Declarant hereby discloses that certain irrigation systems, ditches, ditch laterals and ponds are currently located or may be constructed within ditch and irrigation easement areas located upon (a) certain Lots, (b) upon Master Common Areas, and/or (c) within the golf Land (collectively referred to as the "Irrigation System"). Declarant further discloses that as of the date of this Master Declaration, the ownership of any and all water rights carried or to be carried in said Irrigation System is vested in the Declarant, or in other owners, and Declarant and the other owners have no obligation to transfer ownership of any of such water rights to any Lot or Unit Owner or the Master Association. In no event shall the Master Association or any Lot or Unit Owner be entitled to the right of use of the Irrigation System or any water flowing through said Irrigation System, except pursuant to a written agreement or license with Declarant, another owner thereof, or an assignee of Declarant, or pursuant to an operation and maintenance agreement between the Golf Owner and the Master Association. Furthermore, except as specifically provided below, in no event shall any Lot or Unit Owner be entitled to install irrigation facilities, to divert water from the Irrigation System or to make modifications to the Irrigation System for diversion purposes without the prior written approval of the Master Association. In addition, in no event shall any Lot or Unit Owner or the Master Association obstruct or impede the flow of water through the Irrigation System.

The Master Association shall be responsible for irrigating the Master Common Areas, and roadway shoulders, and for maintaining the portion of the Irrigation System that is owned by the Master Association. The Golf Owner shall be responsible for irrigating the Golf Land. All such irrigation shall be accomplished with untreated water from the Irrigation System. The Golf Owner and Master Association shall be responsible for the maintenance of the portions of the Irrigation System that services both the Golf Land and remaining designated lands for irrigation in the P.U.D. for Teton Springs, unless the Golf Owner and the Master Association agree otherwise in writing. The Golf Owner shall be responsible for maintaining the portion of the Irrigation System that is owned by the Golf Owner alone or by the Golf Owner and the Master Association together; the Master Association shall be responsible for maintaining any portion of the irrigation system that is only used for lands in the P.U.D. for Teton Springs other than Golf Land. Each Lot or Unit Owner shall be responsible for the Purchase, installation, operation, maintenance, repair, and replacement of the individual irrigation system of their own Lot or Unit, which system shall be owned by the Lot or Unit Owner.

The Master Association shall cause to be made available untreated water for the allocated irrigation on each Lot or Unit through the Irrigation System. Each Owner is obligated to irrigate all or a portion of the Owner's Lot or Unit to the extent permitted by this Master Declaration or a Supplemental Declaration, and to install an underground untreated water delivery system that will accomplish such irrigation. The Lots or Units located within the initial Common Interest

Community shall be entitled to irrigate on hundred percent (100%) of those portions of each Lot or Unit that are not developed and built upon.

There will be conservation and use restrictions imposed upon the Lot or Unit Owners, Master Association, and Golf Owner from time to time.

The Golf Owner will bill the Master Association for untreated water delivered to the Common Interest Community and additional lands within the P.U.D. for Teton Springs excluding the Golf Land, as indicated on the various master meters installed throughout the lands within the P.U.D. for Teton Springs, and on the Golf Land, pursuant to the cost allocation procedure established in the agreement with the Golf owner. The Master Association will in turn bill the individual Lot and Unit Owners or a Subassociation of Unit Owners, for untreated water used on lots or Units or other properties within the P.U.D. as indicated on the individual untreated water meters, such fees to be based on criteria customarily used for calculating charges for the collection and distribution of untreated water for irrigation purposes. Provided, that the Master Association may bill each Lot and Unit Owner, or a Subassociation of Unit Owners, for a minimum amount of monthly untreated water use (whether or not in fact used) in order to encourage performance of the Owner's irrigation obligation.

During years of limited availability of untreated water for irrigation purposes, the "rough" areas of the Golf Land may have the untreated water supply curtailed and conservation measures may be imposed on all untreated water use if necessary. Declarant, Master Association, and Golf Owner reserve the right from time to time to allocate and reallocate irrigable acreage within the lands of the P.U.D. for Teton Springs.

All Owners hereby assume any risk involved with respect to the Irrigation System and hereby acknowledge that the Master Association, the Declarant, the Golf Owner, and the County shall not have any responsibility or liability of any kind to any Owner who incurs any loss, damage, cost or expense arising from or relating to said Irrigation System, including, but not limited to, any loss or damage caused by flooding or the failure to deliver water. In accordance with the foregoing, such owners, on behalf of themselves and their Occupants, successors and assigns, by acceptance of a deed acknowledge their assent to the provisions hereof, and hereby release Declarant, the Master Association, the Golf Owner and the County and each of their officers, directors, partners, trustees, members, agents, employees, stockholders, and contractors, from and against any and all obligations, claims, demands, liabilities, costs, expenses, attorneys' fees, or causes of action of any kind whatsoever, whether arising prior or subsequent to the date hereof, whether known or unknown, based upon, arising out of, or in any manner related to the Irrigation System.

3.34 Restoration of Improvements in the Event of Damage or Destruction. In the event of damage to or destruction of any Improvement on any Lot or Unit, the Owner thereof shall cause the damaged or destroyed Improvement to be promptly restored or replaced to its original condition or such other condition as may be approved in writing by the Development Review Committee, or the Owner shall cause the damaged or destroyed Improvement to be promptly

demolished and the Lot or Unit to be suitably landscaped, subject to the approval of the Development Review Committee, so as to present a pleasing and attractive appearance. Such Improvements shall be repaired, restored or otherwise demolished and suitably landscaped within such reasonable time frame as may be established by the Development Review Committee.

3.35 Leases. All Leases of Units, residences on Lots, Caretaker Apartments, or Accessory Dwelling Units shall be in writing and shall contain the following terms and conditions:

(a) The Lease must cover the entire Unit or Lot or Caretaker Apartment, i.e., no leases of bedrooms alone or otherwise covering less than all of the Unit or Lot or Caretaker Apartment shall be permitted. The lease term shall not be less than 30 days except as expressly approved in the Master Rules and Regulations.

(b) All Leases shall provide (i) that the terms of the Lease and the tenant's (Occupant's) use of the Lot or Unit or Apartment shall be subject in all respects to the provisions of this Master Declaration and of any pertinent Supplemental Declaration, and the Articles, the Bylaws, and the Master Rules and Regulations, and the Master Development Guidelines, (ii) that the Occupant has received and reviewed copies of said documents, and (iii) that any failure by the Occupant to comply with any of the aforesaid documents, in any respect, shall be a default by Occupant under the Lease and a default by Occupant and Owner under said documents which may be enforced against Occupant and/or Owner by the Executive Board.

(c) Without limiting the generality of the foregoing, each Lease shall contain a summary of (i) the maximum number of persons that may occupy a Unit or Lot as set forth in Section 3.4 hereof, (ii) the rules regarding permitted animals, as set forth in Section 3.17 hereof, and (iii) the rules regarding storage of sporting equipment, as set forth in Section 3.14 hereof.

(d) Each Owner shall notify the Master Association immediately upon the leasing of his Lot or Unit or Apartment, and shall provide the Master Association with a copy of the Lease and with the name and mailing address of the Occupant and the mailing address (if changed) of the Owner.

(e) Each owner who leases a Lot or Unit or Apartment shall be responsible for assuring compliance by the Occupant with all of the provisions of this Master Declaration, any pertinent and Supplemental Declaration, the Articles, the Bylaws, the Master Rules and Regulations, and the Master Development Guidelines, and shall be jointly and severally responsible with the Occupant for any violations thereof by the Occupant.

(f) Each Lease shall expressly provide that the Master Association (via the Executive Board) shall have the right to give the Occupant written notice that the Occupant is in violation of one or more of the documents listed in subsection (e) above, which notice shall specify a period of time (at least ten (10) days) in which the Occupant may cure the violation.

3.36 Right of Entry. During reasonable hours and upon reasonable notice to the Owner or Occupant of a Lot or Unit, any member of the Development Review Committee, any member of the Executive Board, and any authorized representative of either of them, shall have the right to enter upon and inspect any Lot or Unit, and the Improvements thereon, except for the interior portions of any occupied residence, for the purpose of ascertaining whether or not the provisions of the Master Declaration and of the Master Development Guidelines have been or are being complied with and such individuals shall not be deemed guilty of trespass by reason of such entry.

3.37 Damage by Owners During Construction. Each Owner is responsible for any damage caused to roads, streets, ditches, fences, trails, natural drainage courses, utilities, Master Common Areas, or to other Lots, Units or Improvements thereon, during the construction or alteration of Improvements upon the Owner's Lot or Unit, including without limitation damage caused by any construction vehicles using the roads or streets within the Common Interest Community. Damage shall include any degradation, in the appearance or condition of such Master Common Areas, or other Lots or Units or Improvements. The responsible Owner shall promptly repair and clean up any such damage, at its sole expense. Each Owner shall also be responsible for any clean up of any such damage, at its sole expense. Each Owner shall also be responsible for and damage caused by utility cuts in roads, washouts and runoff damage caused by failure to properly install culverts, and to promptly repair any such damage. If the Owner fails to repair any such damage within ten (10) days following receipt of a written notice from the Executive Board requesting the same, the Executive Board shall have the right to perform such repairs on behalf of the Owner, and to levy a Reimbursement Assessment upon the Owner and its Lot or Unit to recover the costs thereof.

3.38 Restrictions on Resubdivision, Property Restrictions, and Rezoning. Except as expressly permitted in this Master Declaration or in a Supplemental Declaration by which additional property is annexed to the Common Interest Community, (i) no Lot or Unit shall ever be further subdivided by an Owner into smaller lots or parcels or units, and (ii) no portion less than all of any such Lot or Unit, nor any easement or divided interest therein, shall be conveyed, transferred or encumbered by the Owner.

(a) Declarant reserves the right to subdivide tracts or to condominiumize, provided any necessary County approvals are obtained, all Declaration and Plat amendments required by the Act and/or local land use laws are prepared, executed and Recorded, and the necessary reallocation of Allocated Interests of the Owners is accomplished. All costs relating to the foregoing activities shall be the sole responsibility and obligation of Declarant, or of the Owner performing the same. Declarant's rights under this subsection (a) shall terminate upon the first to occur of (i) the date which is thirty (30) years after the Recording of this Master Declaration, or (ii) Declarant's relinquishing of these rights by a Recorded instrument.

(b) No Owner of a Lot or Unit shall grant or convey any easement rights affecting any portion of the Lot or Unit without the prior written consent of the Executive Board.

(c) No further covenants, conditions, restrictions or easements shall be Recorded by any Owner (except Declarant in the exercise of its reserved rights) or other Person against any Lot or Unit without the provisions thereof having been first approved in writing by the Executive Board for consistency and with the Master Declaration, any applicable Supplemental Declaration, and the general plan of development for the Common Interest Community. Any covenants, conditions, restrictions or easements Recorded without such approvals being evidenced thereon shall be null and void. This provision does not apply to Mortgages.

(d) No application for rezoning of any Lot or Unit, and no application for any variance or special use permit for any Lot or Unit (except as may be required by a Plat note), shall be filed with any governmental authority by any owner (except Declarant in the exercise of any reserved rights) unless the proposed use of the Lot or Unit has first been approved in writing by the Executive Board and the proposed use otherwise complies with the Master Declaration and any applicable Supplemental Declaration.

3.39 Health, Safety and Welfare. In the event any uses, activities, and facilities within the Common Interest Community are deemed by the Executive Board to be an unreasonable annoyance or nuisance, or to adversely affect the health, safety or welfare of Owners or Occupants, the Executive Board may amend the Master Rules and Regulations in order to appropriately restrict and regulate such uses, activities or facilities within the Common Interest Community. Such rules shall be consistent with the purposes and provisions of this Master Declaration.

3.40 Municipal Sewer and Water Service. Municipal water service is provided by the Teton Springs Water & Sewer Company. Only untreated water through the secondary irrigation system shall be used for residential Lot irrigation consistent with the provisions of Section 3.33. The Old Town Area, Inn Site, Forest and Warm Creek Cabins and Old Town Residential Areas will use Municipal water for irrigation or other areas approved by the Declarant.

3.41 Implementation and Variances. The Executive Board may implement the restrictions set forth in this Article 3, or otherwise restrict and regulate the use and occupancy of the Common Interest Community and the Lots and Units by reasonable Master Rules and Regulations of general application adopted by the Executive Board from time to time. The Executive Board may, in its sole discretion and in extenuating circumstances, grant variances from any of the restrictions set forth in this Article 3 (excepting any such restrictions with respect to which the Development Review Committee has the authority to grant variances under Section 4.19 below), if the Executive Board determines, in its discretion, (a) either (i) that a particular restriction creates a substantial hardship or burden on an Owner or Occupant, which hardship or burden was not caused by said Owner or Occupant, or (ii) that a change of circumstances since the Recordation of this Master Declaration has rendered such restriction obsolete, and (b) that the activity permitted under the variance, in the judgment of the Executive Board, will not have any material adverse effect on the Owners and Occupants of the Common Interest Community (including neighboring Lots and Units) and is consistent with the high quality of living intended to be promoted hereby throughout the Common Interest Community. When an Owner applies for a variance, the Board

must give at least ten (10) days advance written notice of the variance hearing, and of the nature of the variance requested, postage prepaid, by certified mail, return receipt requested, to all Owners of Lots or Units that are situated within a radius of two hundred (200) feet from the center of the Building Envelope or the Unit for which the variance is sought, at the current addresses for such Owners reflected in the Master Association files. The applying Owner must provide the Committee with an accurate list of the Owners to be so notified. If the foregoing notice requirements are complied with, it is not necessary that the Owners actually receive the notice that is mailed to them.

No variance shall conflict with ordinances or regulations of the County. If a variance from County laws or regulations is also required in connection with the matter for which a variance is desired hereunder, it shall be the Owner's responsibility to obtain such County variance before submitting a variance application to the Executive Board.

3.42 Declarant Activities. Nothing contained in this Master Declaration is intended or shall be construed to prevent or to restrict in any way Declarant's right and ability to develop, improve, maintain, repair, regulate, operate, administer, manage, market, sell, lease, encumber or dispose of the Common Interest Community, the Lots, the Units, the Master Common Areas, or any part thereof, including the right to construct Improvements and install signs thereon, all in the complete discretion of Declarant.

The Master Association shall have a Development Review Committee, which shall consist of a minimum of three (3) members, each of whom shall either be (i) a representative of the Declarant, (ii) an Owner or Occupant of a Lot or Unit in the Common Interest Community or (iii) a local architect, landscape architect or engineer. All members of the Development Review Committee shall be appointed and removed from time to time by the Executive Board in its discretion, and shall serve for such term as may be established from time to time by the Executive Board. A member may be removed by the Executive Board at any time upon written notice, without cause. Subject to the three (3) member minimum, the Executive Board may increase or decrease the size of the Development Review Committee from time to time in its discretion. The Executive Board may hire or appoint a secretary for the Development Review Committee, and shall provide appropriate compensation for any such secretarial services.

4.2 Establishment of Subcommittees. The Development Review Committee shall have the right but never the obligation to establish one or more subcommittees to perform one or more of the functions of the Development Review Committee. For purposes of this Master Declaration, all references to the Development Review Committee shall also refer to any subcommittee established by the Development Review Committee. The procedures for establishment of subcommittees, the rights and duties thereof, and the limitations thereon may be established and adopted by the Development Review Committee from time to time, in its discretion.

4.3 Meetings and Action of Committee. The Development Review Committee shall meet from time to time as necessary to perform its duties hereunder. The Development Review Committee may from time to time, by resolution in writing adopted by a majority of the members, designate a Committee Representative (who may but need not be one of its members) to take any action or perform any duties for or on behalf of the Development Review Committee, except the granting of approval for any Improvements and the granting of variances. The action of such Committee Representative within the authority of such Committee Representative shall constitute the action of the Development Review Committee. A majority of the members of the Development Review Committee shall constitute a quorum of the Committee. Actions of the Committee may be taken (without a meeting) by the written consent of a majority of the members thereof, or at a meeting at which a quorum is present in person or by proxy, by the vote of a majority of such members constituting the quorum, but in no event less than two (2) members.

4.4 Records of Actions. The Development Review Committee shall report in writing to the Executive Board all final actions of the Development Review Committee, and the Executive Board shall keep a permanent record of such reported actions.

4.5 Approvals in Annexed Areas. The Development Review Committee shall also be responsible for reviewing and approving all proposed Improvements on Lots and Units within properties hereafter annexed to the Common Interest Community, unless a different reviewing body or procedure is established in the Supplemental Declaration which annexes such property.

4.6 Master Development Guidelines. The Development Review Committee has established an initial set of rules, procedures, standards, guidelines and requirements, including without limitation architectural, design and development standards and guidelines, which shall govern the review and approval or disapproval of proposed Improvements within the Common Interest Community, the registration of Builders, and other matters provided for therein (the "Master Development Guidelines"), the Development Review Committee may make such amendments and additions to the Master Development Guidelines as the Committee deems necessary or appropriate from time to time to accomplish the purposes of (and as are not in conflict with) this Master Declaration and of any pertinent Supplemental Declaration and to ensure the orderly and attractive development of the Common Interest Community. Upon its adoption, each such amendment shall be provided to the Executive Board. The Master Development Guidelines are hereby incorporated herein and shall be deemed to be a part of this Master Declaration and shall be binding on the Common Interest Community, and on all Lot and Unit Owners, Occupants, Members or other Persons as if expressly set forth herein. A copy of the current Master Development Guidelines shall, at all times, be a part of the Master Association's records. The Development Review Committee, in its sole discretion, shall have the right and authority to determine the existence of any violation of the Master Development Guidelines or of any approvals granted or other determinations made by, or other requirements of, the Development Review Committee.

4.7 Design Review Fee. The Development Review Committee shall adopt, and may from time to time amend, a design review fee schedule which shall apply to requests for the original construction of a residential improvement, and for each subsequent request for approval of an Improvement on a Lot or Unit including remodels, renovations or other alterations of the original approval, except that no fee shall be charged for any proposed alteration or addition to an approved landscaping plan. The design review fee schedule shall be set forth in the Master Development Guidelines. The applicable fee must accompany each request for approval of any proposed Improvement. The Development Review Committee shall not take any action on a request for approval until all required fees are paid in connection therewith.

4.8 Pre-submission Conference. Every Owner proposing to make Improvements to its Lot or Unit shall schedule and attend a pre-submission conference with the Development Review Committee to discuss the general nature and scope of the contemplated Improvements and the Committee's requirements and procedures in connection therewith prior to the time the Owner has expended or committed to expend significant amounts on architectural or other design fees. The Development Review Committee shall give priority to the scheduling of such pre-submission conferences. The Owner is encouraged to arrange for the attendance of the Owner's design professional at the pre-submission conference.

4.9 Submission of Plans, Specifications and Data. Prior to commencement of work to accomplish any proposed Improvements, the Owner proposing to make such Improvements shall submit to the Development Review Committee such descriptions, surveys, plat plans, excavation plans, drainage plans, elevation drawings, constructions plans, landscaping plans, specifications, and samples of materials and colors as the Development Review Committee shall reasonably request showing among other things the nature, kind, shape, height, width, color, materials, and location of the proposed Improvements. The Owner shall also inform the Development Review Committee of the identity of the Owner's proposed Builder, who shall be a Registered Builder. All submissions shall conform to and be in accordance with the Master Development Guidelines established pursuant to Section 4.6. The Owner shall be entitled to receive a receipt for the same from the Development Review Committee or its authorized agent. The Development Review Committee may require submission of additional plans, specifications, or other information prior to approving or disapproving the proposed Improvements. Until receipt by the Development Review Committee of all required information and materials in connection with the proposed Improvements and Builder, the Development Review Committee may postpone review of the application.

4.10 Registration of Builders. The construction or renovation of residential dwellings within the Common Interest Community shall be accomplished only by general contractors who are "Registered Builders" as provided in this Section 4.10. Subcontractors need not be Registered Builders. In order to register as a builder, a contractor must submit to the Development Review Committee a signed "Statement of Registered Builder" which recites as follows:

(a) That the builder is an experienced general contractor in Teton County, Idaho or Teton County, Wyoming or immediate regional area.

(b) The names and addresses of the last five (5) clients for whom the builder has constructed homes or other structures;

(c) That the builder expressly authorizes each of said clients to speak to representatives of the Development Review Committee and/or the Owner regarding the builder's performance for that client, and further authorizes the Development Review Committee to pass on any such performance information to the Owner;

(d) That the builder will provide the Owner with a current financial statement, if requested by the Owner;

(e) That the builder will furnish the Owner with such other information about the builder as the Owner may reasonably request.

Upon delivery of a Statement of Registered Builder containing all of the required information to the Development Review Committee, a contractor shall be deemed to be a Registered Builder for purposes hereof. Before commencing work on the construction or renovation of a residential dwelling on a Lot, the Registered Builder shall obtain a Builder's Risk Insurance Policy covering all Improvements to be constructed on the Lot, with the benefits payable to the Owner, and shall deliver copies of the Policy to the Development Review Committee and to the Owner. In the case of minor renovations where the Development Review Committee does not consider such Policy necessary, the Development Review Committee may waive this requirement, in its sole discretion.

4.11 Criteria for Approval or Disapproval. The Development Review Committee shall approve any proposed Improvements only if it determines in its reasonable discretion that the Master Development guidelines have been complied with; that the proposed Improvements will not be detrimental to the value or enjoyment of the surrounding areas in the Common Interest Community; that the siting, design and appearance of the proposed Improvements will be in harmony with the surrounding areas in the Common Interest Community; that the proposed Improvements will enhance the quality, wholesomeness, and attractiveness of the Common Interest Community and the enjoyment thereof by Lot and Unit Owners; that the upkeep and maintenance of the proposed Improvements will not become a burden on the Master Association; and in the case of construction or renovation of a residential dwelling, the work will be performed by a Registered Builder. The Development Review Committee may condition its approval of any proposed Improvements upon the making of such changes therein as the Development Review Committee may deem reasonably appropriate, and may require that additional landscaping be performed on the subject Lot or Unit.

The approval by the Committee of any Improvement shall in no event imply or require that such approval will be granted again in the future for the same or a similar Improvement, and the Committee shall have complete discretion, consistent with the standards and criteria contained

herein and in the Master Development Guidelines, to grant or deny such approval in each instance on the merits of the particular application or proposal and considering the circumstances surrounding the same.

4.12 Decisions of Committee. Any decision of the Development Review Committee shall be made within forty-five (45) days after receipt by the Development Review Committee of all materials and information required by the Development Review Committee, unless such time period is extended by mutual written agreement. The decision shall be in writing and if the decision is not to approve the proposed Improvements, the reasons therefor shall be stated. The decision of the Development Review Committee shall be promptly transmitted to the Owner at the address furnished by the Owner to the Development Review Committee.

4.13 Failure of Committee to Act on Plans. Any written request for approval of proposed Improvements shall be deemed approved, unless written disapproval or a request for additional information or materials is transmitted to the Owner by the Development Review Committee within sixty (60) days after the date of receipt of the Development Review Committee of all required materials and information, unless such time period is extended by mutual written agreement.

4.14 Damage and Performance Deposit by Owner. Before the Development Review Committee grants approval to an Owner for proposed Improvements to a Lot or Unit, the Owner shall be required to deposit with the Committee a Damage and Performance Deposit, in an amount to be determined by the Committee in its reasonable discretion based upon the nature and scope of the proposed Improvements, in order to guarantee (i) the completion of the proposed Improvements in accordance with the Committee's approval thereof and the Master Development Guidelines, (ii) the repair of any on-site or off-site damage caused by the Owner or its contractors or agents during the construction period, and (iii) the cleanup of any construction debris required by the Master Association. The Committee shall give the Owner written notice of (a) any violation of the approvals or the Master Development Guidelines, or (b) any damage that needs to be repaired, and in the event the Owner fails to cure the violation or repair the damage within thirty (30) days following date such notice is given, the Committee shall have the right to perform such cure or repair on behalf of the Owner and to apply so much of the Damage and Performance Deposit as may be needed to pay for the cost thereof. The Damage and Performance Deposit, or any balance remaining if the Committee has used all or a portion therefor as above permitted, shall be refunded to the Owner no later than thirty (30) days following the issuance to the Owner by the Development Review Committee of a Certificate of Compliance in accordance with the provisions of Section 4.17 below.

4.15 Prosecution and Completion of Work After Approval. Following the approval of any proposed Improvements by the Development Review Committee and identification of the Registered Builder, the proposed Improvements shall be completed by the Lot or Unit Owner using the Registered Builder: (a) as promptly and diligently as possible but in no event in excess of the time periods set forth below; (b) in compliance with the Master Development Guidelines and with

all applicable laws, regulations and codes, (c) in strict conformance with all plans and specifications and other materials presented to and approved by the Development Review Committee; and (d) in accordance with any and all conditions imposed by the Development Review Committee. All Improvements approved by the Development Review Committee shall be completed, including issuance of a Certificate of Compliance and the removal of all construction equipment, materials and debris (i) within twenty-four (24) months from the date of approval of such Improvements by the Development Review Committee, or (ii) within such other time period as the Development Review Committee may prescribe. Provided, however, that any and landscaping and/or gardening approved by the Development Review Committee which is related to the initial construction of a residence on a Lot shall be completed no later than six (6) months immediately following the issuance of the Certificate of Compliance for such residence. Failure to comply with the terms and conditions of this Section 4.15 shall constitute noncompliance with the terms and provisions of this Master Declaration and the Development Review committee and/or the Executive Board shall have the right to invoke all rights and remedies provided to them hereunder, including but no limited to, the imposition of fines and penalties.

4.16 Right to Inspect. Any member or authorized consultant of the Development Review Committee or of the Executive Board, or any authorized officer, employee or agent of the Master Association, may (but shall not be obligated to) at any reasonable time enter, without being deemed guilty of trespass, upon any Lot or Unit after reasonable notice to the Lot or Unit Owner, in order to inspect Improvements constructed or being constructed on such Lot or Unit, to ascertain whether such Improvements have been or are being built or changed in compliance with the Master Development Guidelines, the approvals granted by the Development Review Committee, and this Master Declaration.

4.17 Certificate of Compliance; Inspection of Work; Correction of Defects.

(a) Upon the completion of any Improvements (excepting the related landscaping) for which plans and specifications have been approved by the Development Review Committee, the Owner or the Registered Builder shall submit to the Committee a written Application for a Certificate of Compliance, on a form to be provided by the Committee, which Application shall certify that the Improvements have been completed in accordance with the approvals granted by the Committee and with the Master Development guidelines. Until receipt of such Application, the Committee shall not be deemed to have any notice regarding completion of the Improvements.

(b) Within twenty-one (21) days following receipt of the Application, the Development Review Committee or its duly authorized representative shall inspect the Improvements. If the Committee finds that the Improvements have not been completed in accordance with the approvals granted by the Committee and/or with the Master Development Guidelines, it shall notify the Lot or Unit Owner in writing of such noncompliance within said twenty-one (21) day period, specifying the particulars of noncompliance, and shall request the Owner to remedy the same.

(c) If upon the expiration of thirty (30) days from the date of such notification of non-compliance the Lot or Unit Owner shall have failed to remedy such noncompliance, the Development Review Committee shall notify the Executive Board in writing of such failure. Upon Notice and Hearing, as provided in the Bylaws, the Executive Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than thirty (30) days from the date of the announcement of the Executive Board ruling. If the Owner does not comply with the Executive Board ruling within such period, the Board, at its option, may either remove the noncomplying Improvement or remedy the noncompliance, and the Owner shall reimburse the Master Association, upon demand, for all expenses, including interest on monies expended and attorneys' fees incurred in connection therewith. If such expenses are not repaid by the Owner to the Master Association within thirty (30) days following delivery of a written demand therefor to the Owner, the Executive Board shall levy a Reimbursement Assessment against such Owner and the Owner's Lot or Unit.

(d) When the Development Review Committee is satisfied that the Improvements have been completed in accordance with the approvals granted by the Committee and with the Master Development Guidelines, it shall issue to the Owner a Certificate of Compliance with respect to said Improvements. No newly-constructed residence on a Lot shall be occupied until a Certificate of Compliance has been issued therefor and a Certificate of Occupancy as required by the County of Teton has been issued therefor.

4.18 Improvements Must Conform to Approvals. No building, fence, wall, structure, landscaping or other Improvement of whatever type shall be commenced, constructed, erected, placed, installed, located, maintained or removed within the Common Interest Community, nor shall there be any additions or changes to the exterior of any residence or other structure or Improvement upon a Lot or Unit or the landscaping, grading or drainage thereof, including without limitation, the painting (other than painting with the same color and type of paint as previously existed) of exterior walls, patio covers and fences, except in accordance with plans and specifications therefor which have been submitted to and approved by the Development Review Committee and in compliance with the Master Development Guidelines.

4.19 Committee Power to Grant Variances. The Development Review Committee may grant variances from any of the restrictions set forth in this Master Declaration or any Supplemental Declaration or the Master Development Guidelines pertaining to proposed Improvements and the criteria therefor, including restrictions upon height, size, floor area, setbacks, location or placement of structures, or similar restrictions, when (i) unique circumstances not created by the Lot or Unit Owner, such as topography, natural obstructions, or aesthetic or environmental considerations would otherwise result in substantial hardship or burden which is not suffered by other similarly-situated Lots or Units, or (ii) when a change of circumstances since the Recording of the Master Declaration has rendered such restriction obsolete, and (iii) in either case, when the Development Review Committee determines that the activity allowed by the variance will not have any material

adverse effect on the Owners and Occupants of the Common Interest Community (including neighboring Lots and Units) and is consistent with the high quality of living intended to be promoted hereby throughout the Common Interest Community. When an Owner applies for a variance, the Committee must give at least ten (10) days written notice of the variance hearing, and of the nature of the variance requested, postage prepaid, by certified mail, return receipt request, to all Owners of Lots or Units that are contiguous to the Lot or Unit for which the variance is requested, at the current addresses for such Owners reflected in the Master Association files. The applying Owner must provide the Committee with an accurate list of the Owners to be so notified. If the foregoing notice requirements are complied with, it is not necessary that the Owners actually receive the notice that is mailed to them.

All variances that are granted by the Development Review Committee must be evidenced in writing, must specify the Lot or Unit for which the variance is granted and the unique circumstances or change in circumstances justifying the variance, and must be signed by at least a majority of the members of the Committee. If any such variance is granted, no violation of the covenants, conditions and restrictions contained in this Master Declaration or any Supplemental Declaration or the Master Development Guidelines shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Master Declaration or of any Supplemental Declaration or the Master Development guidelines for any purpose except as to the particular property and particular provision hereof covered by the variance. A copy of each variance request and approval, or denial, will be kept on file at the Master Association offices.

The granting of a variance in a particular instance shall in no event imply or require that such a variance will be granted again in the future in a similar situation, and the Committee shall have complete discretion, consistent with the standards and criteria contained herein and in the Master Development guidelines, to grant or deny a variance in each instance on the merits of the particular application and considering the circumstances surrounding the same.

No variance shall conflict with ordinances or regulations of the County. If a variance from County laws or regulations is also required in connection with a matter for which a variance is desired hereunder, it shall be the Owner's responsibility to obtain such County variance before submitting a variance application to the Development Review Committee.

4.20 Nonliability for Approval or Disapproval of Plans and Specifications, for Issuance of Certificates of Compliance, or for Registration of Builders. The criteria for Development Review Committee approval of plans and specifications are set forth in Section 4.11 above. The Development Review Committee shall not be responsible for reviewing plans and specifications with respect to engineering design or for compliance with zoning, building ordinances, environmental laws, or any other applicable laws or regulations. By its approval of any such plans and specifications, neither the Development Review Committee, the members thereof, the Master Association, any Member, the Executive Board nor the Declarant assumes or shall have any liability or responsibility with respect to engineering design or for compliance with zoning,

building ordinances, environmental laws, or any other applicable laws or regulations, or for any defect in any Improvement constructed from such plans and specifications. Neither the Development Review Committee, any member thereof, the Master Association, the Executive Board nor the Declarant shall be liable to any Lot or Unit Owner, Occupant or other Person for any injury, damage, loss or prejudice suffered or claimed on account of (a) the approval or disapproval of any plans, drawings or specifications, whether or not defective, (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications, (c) the issuance of a Certificate of Compliance for any Improvements, or (d) the development, or manner of development of any property within the Common Interest Community. The approval of plans and specifications by the Development Review Committee, and/or the issuance of a Certificate of Compliance by the Development Review Committee, shall not under any circumstances constitute or be deemed to be a representation or warranty that the plans, specifications or completed Improvements comply with applicable laws, ordinances or regulations, including but not limited to, zoning ordinances and building codes and environmental laws.

Likewise, Builders shall register with the Development Review Committee in the manner set forth in Section 4.10 above and in the Master Development Guidelines. By registering a Builder, the Development Review Committee does not represent or warrant, either expressly or by implication, that the Registered Builder will in fact complete the Improvements in a prompt, competent and workmanlike manner, or that the Registered Builder is or will remain financially sound, and the Lot and Unit Owners assume all risks regarding such matters. Neither the Development Review Committee, the members thereof, the Master Association, any Member, the Executive Board nor the Declarant shall be liable to any Lot or Unit Owner, Occupant or other Person for any damage, loss or prejudice suffered or claimed on account of (a) the registration of any Builder, (b) defects in the work performed by a Registered builder, (c) financial difficulties experienced by a Registered Builder, and/or (d) any other problems arising from an Owner's use of a Registered Builder.

4.21 Reconstruction of Master Common Areas. The reconstruction by the Master Association after destruction by casualty or otherwise of any Master Common Areas or Improvements thereon which is accomplished in substantial compliance with "as built" plans for such Master Common Areas or Improvements shall not require compliance with the provisions of this Article 4 or the Master Development Guidelines.

4.22 Compensation of Committee Members. In the discretion of the Executive Board, all or some members of the Development Review Committee may be entitled to reasonable compensation from the Master Association for services rendered, together with reimbursement for reasonable expenses incurred by them in the performance of their duties hereunder. Such compensation, if any, shall be set by the Executive Board from time to time.

4.23 Enforcement. The requirements and provisions of this Article 4 and/or of the Master Development Guidelines shall be enforceable in accordance with the rights and procedures set forth in Section 13.4 of this Master Declaration.

ARTICLE 5
MASTER COMMON AREAS

5.1 Use and Enjoyment of Master Common Areas. With the exception of Limited Common Areas, and except as otherwise provided in this Master Declaration or in any Supplemental Declaration, each Owner shall have the non-exclusive right to use and enjoy the Master Common Areas in common with all other Owners (a) for all purposes for which such Master Common Areas were established, and (b) as required for purposes of access and ingress to and egress from (and use, occupancy and enjoyment of) any Lot or Unit owned by the Owner or Master Common Areas available for the Owner's use. This right to use and enjoy the Master Common Areas shall extend to each Owner, Occupant, and the family members, guests and invitees of each Owner, and to such other users as may be authorized by this Master Declaration or by the Executive Board from time to time, and shall be appurtenant to each Lot or Unit, subject at all times to the provisions of this Master Declaration (including Declarant's reserved rights hereunder), any applicable Supplemental Declaration, the Articles, Bylaws, and Master Rules and Regulations. For example, the rights of Occupants to use the recreational amenities in the Old Town Area shall be governed by the pertinent provisions of the Master Rules and Regulations. No Owner or Occupant shall place any structure whatsoever upon the Master Common Areas, nor shall any Owner or Occupant engage in any activity which will temporarily or permanently impair free and unobstructed access to all parts of the Master Common Areas by all Owners. Use of the Master Common Areas is also subject to any applicable terms of the Golf Course Play and Operational Easement (Exhibit F).

With respect to Limited Common Areas, each Owner of a Lot designated by Declaration or Plat for the use of such Limited Common Area shall have the non-exclusive right to use and enjoy the same in common with all other Owners of Lots so designated, for all purposes for which the Limited Common Area was created, subject to such Master Rules and Regulations as may be adopted from time to time by the Executive Board.

5.2 Master Association May Regulate Use of Master Common Areas. The Master Association, acting through the Executive Board, shall have the right and authority to regulate the use of the Master Common Areas by the promulgation, enforcement and interpretation from time to time of such Master Rules and Regulations relating thereto as the Master Association considers necessary or appropriate for the protection and preservation of the Master Common Areas and the enhancement of the use and enjoyment thereof by the Owners and Occupants and other authorized users, subject always to any rights or interests created by the Golf Course Play and Operational Easement (Exhibit F). Without limiting the generality of the foregoing, the Master Rules and Regulations shall contain appropriate guidelines and restrictions, and shall establish reasonable user fees, governing Occupant usage of the recreational amenities within the Old Town Area, it being understood that Occupants do not automatically have any rights or privileges to use such facilities.

The Master Association, acting through the Executive Board, may for good cause suspend the right of any Person to use and enjoy the Master Common Areas and/or the Old Town Area, including the right of a Member who is delinquent in the payment of any Assessments, and the right of any Member or other authorized user who is in violation of the terms and provisions of this Master Declaration or any Supplemental Declaration, the Articles, Bylaws, Master Rules and Regulations, Master Development Guidelines or the terms and provisions of any approvals granted by the Development Review Committee.

5.3 Master Association to Maintain and Improve Master Common Areas. The Master Association, its agents and employees, shall maintain, snowplow as necessary, and otherwise manage the Master Common Areas (including the Limited Common Areas), including, but not limited to, any Improvements, landscaping, lakes, paths, trails, parking areas, drives, and recreational and other facilities located thereon. The Master Association shall construct, alter and remove such Improvements and landscaping upon the Master Common Areas as the Master Association in its discretion considers necessary, desirable or appropriate from time to time, and shall do all such other and further acts which the Executive Board deems necessary or appropriate to preserve, protect and enhance the Master Common Areas and the beauty thereof in accordance with the general objectives for the Common Interest Community reflected in this Master Declaration. Separate bids shall be let for the maintenance of Limited Common Areas so that the costs thereof can be assessed exclusively to the Lots benefitted thereby.

5.4 No Partition of Master Common Areas. No Owner or other Person shall have any right to partition or to seek the partition of the Master Common Areas or any part thereof.

5.5 Owner Liability for Owner or Occupant Damage to Master Common Areas. Each Owner shall be liable to the Master Association for any damage to Master Common Areas or for any expense, loss or liability suffered or incurred by the Master Association in connection with the Master Common Areas arising from (a) the negligence or willful misconduct of such Owner or of any Occupant, agent, employee, family member, guest or invitee of such Owner, or (b) any violation by such Owner or any Occupant, agent, employee, family member, guest or invitee of such Owner of any law, regulation, or code, including without limitation any environmental law, or of any provisions of this Master Declaration, any Supplemental Declaration, or the Master Rules and Regulations relating to the Master Common Areas. Each Owner shall indemnify, defend and hold the Master Association harmless from any loss, damage, expense or liability arising from the circumstances described in subsections (a) or (b) immediately above. The Master Association shall have the power to levy and collect a Reimbursement Assessment against a Lot or Unit Owner to recover the costs, expenses, damages, losses or liabilities incurred by the Master Association as a consequence of any such negligence, willful misconduct or violations.

5.6 Damage or Destruction to Master Common Areas. In the event of damage to or destruction of the Master Common Areas, including Improvements thereon, by fire or other casualty, the Master Association shall repair or replace the same in accordance with the provisions of Section 9.18 below. Repair, reconstruction, or replacement of Master Common Areas shall be

accomplished under such contracting and bidding procedures as the Master Association shall determine are appropriate. If insurance proceeds available to the Master Association on account of damage or destruction exceed the cost of repair, reconstruction, and replacement, the Master Association may use the same for future maintenance, repair, improvement, and operation of Master Common Areas or for any other use deemed appropriate by the Executive Board.

5.7 Condemnation of Master Common Areas. If any Master Common Area or part thereof or interests therein is taken under exercise of the power of eminent domain or by purchase in lieu thereof, the portion of any award in condemnation or the price payable for the deed in lieu that is attributable to the Master Common Area taken or purchased shall be paid to the Master Association. The Master Association shall have the exclusive right to participate in such condemnation proceedings and to represent the interests of all Owners and Occupants and other Persons therein. Any award or funds received by the Master Association shall be held by the Master Association for the purposes stated in Section 5.6 above or as a reserve for future maintenance, repair, reconstruction, or replacement of Master Common Areas or may be used for Improvements or additions to or operation of Master Common Areas or for such other uses as may be deemed appropriate by the Executive Board. Except as may otherwise be provided by the Act, no Owner or other Person shall be entitled to participate as a party or otherwise in any condemnation proceedings nor to receive any proceeds therefrom.

5.8 Title to Master Common Areas Upon Dissolution of Master Association. In the event of dissolution of the Master Association, the Master Common areas shall, to the extent permitted by law and reasonably possible, be conveyed or transferred to an appropriate public, governmental or quasi-governmental agency or organization or to a nonprofit corporation, association, trust, or other organization, to be used, in any such event, for the common benefit of Owners for the purposes for which the Master Common Areas were held by the Master Association. If the foregoing is not possible, the Master Common Areas shall be sold or disposed of and the proceeds from the sale or disposition shall be distributed to Owners in proportion to each Owner's Allocated Interest in the Common Expenses of the Master Association.

5.9 Mechanic's Liens on Master Common Areas. Declarant shall be responsible for the release of mechanics' liens filed with respect to Master Common Areas, or any part thereof, if such liens arise from labor performed or materials furnished at the instance of Declarant, its agents, contractors or subcontractors. Likewise, the Master Association shall be responsible for the release of mechanics' liens filed with respect to Master Common Areas, or any part thereof, if such liens arise from labor performed or materials furnished at the instance of the Master Association, its directors, officers, agents, contractors or subcontractors. No labor performed or materials furnished with respect to a Lot or Unit at the instance of the Lot or Unit Owner shall be the basis for filing a lien against the Master Common Areas. No labor performed or materials furnished with respect to a Master Common Area at the instance of the Executive Board shall be the basis for filing a lien against any Lot or Unit Owner.

5.10 Lake, Pond and Stream Access. The Master Common Area and the Golf Course Land contains certain streams, lakes, and ponds which have been provided for the use and enjoyment of owners and guests. These streams, lakes, and ponds are located throughout the property and are adjacent to or part of the golf course, residential lots, and common areas. Because of the proximity to golf course play or residential lots, access must be controlled. Stream, lake and pond edge access areas have been designated in three categories: 1) Common access 2) Local access 3) No access. Common access refers to areas in which access is granted to all owners and guests. Local access refers to areas in which access is granted to owners and guests whose property is located approximate to that particular stream, pond, or lake. No access refers to areas in which access is not allowed for health or safety reasons such as lake edges that are in golf course play.

The Master Rules and Regulations define the lake, pond, and stream access points on a map contained as an exhibit thereto. Such map and defined accesses may be changed from time to time with the consent of the Declarant.

The Master Rules and Regulations also govern the use of the lakes, ponds, and streams.

**ARTICLE 6
DECLARANT'S RESERVED RIGHTS**

Declarant hereby expressly reserves to itself and its successors and assigns the following described rights, which include development rights and special Declarant rights, any one or more of which rights may be exercised, in the sole and absolute discretion of Declarant, at any time and from time to time during the period commencing upon the recording of this Master Declaration in the County and ending on the date of termination of such rights established under Section 6.13 below. It is expressly understood that Declarant shall not be obligated to exercise any of these reserved rights.

Except as limited by this Article 6, such reserved rights may be exercised upon or in connection with all or any portion of the Common Interest Community described on attached Exhibit A, and/or the additional unspecified real estate referred to in Section 6.7 below. Such rights may be exercised with respect to different parcels of said real estate at different times, and in connection therewith Declarant hereby states that (i) no assurances are made regarding the boundaries of said different parcels or with respect to the order in which such parcels may be subjected to the exercise of these reserved rights, even if a reference to a phase or phasing appears in a legal description, Plat, P.U.D. Agreement or other agreement relating to the property, and (ii) if a particular reserved right is exercised in any portion of the real estate subject to that reserved right, that reserved right is not required to be exercised in all or any portion of the remainder of that real estate.

The reserved rights hereinafter set forth may not be amended, modified, terminated or otherwise altered in any way without the express prior written consent of Declarant. All conveyances of Lots and Units and other portions of the Common Interest Community hereafter made, whether by Declarant or otherwise, shall be deemed and construed to reserve to Declarant and/or to grant to Declarant all of the rights reserved by and to Declarant in this Article 6, even though no specific reference to such rights appears in the conveyancing instruments. Nothing in this Article 6 shall limit or impair any other rights granted or reserved to Declarant by other provisions of this Master Declaration or of any Supplement Declaration.

The following rights are hereby reserved to Declarant and its successors and assigns:

6.1 Completion of Improvements. The right throughout the Common Interest Community to complete Improvements indicated on any Plat, as defined in Paragraph 2.45 hereof, as such Plats and Declarations may be amended from time to time. Furthermore, the right to construct and complete Improvements required by the terms of the Development Agreement recorded on February 13, 2001 at the Office of the Clerk and Recorder of Teton County, Idaho, and by the terms of any other Subdivision Improvements Agreements that may hereafter be executed by Declarant in connection with future phases, annexations to the Common Interest Community, as said Agreement or Agreements may be amended from time to time. Furthermore,

the right to create, grant and/or use and enjoy additional non-exclusive easements, and to relocate existing platted easements, upon or across any portion of the Common Interest Community except Building Envelopes, as may be reasonable required for the completion by Declarant of the above-described Improvements or the effective exercise by Declarant of any of the other reserved rights described in this Article 6.

6.2 Sales, Marketing and Management. The right to construct, locate or operate, and to maintain upon, and to remove from, Lots or Units owned by Declarant, and/or the Master Common Areas, in the discretion of Declarant, and in such number, size and location as may be reasonably required by Declarant in connection with the completion of Improvements, the management of the development, and/or the promotion, marketing, sale or rental of Lots and Units, the following:

(a) Sales offices, management offices, and/or construction offices, and structures containing or relating to the same. Such offices, to the extent they are not situated on a Lot or within a Unit, are hereby declared to be personal property of the Declarant and shall in any case be removable by Declarant or its successors or assigns promptly upon the Declarant or its successors or assigns ceasing to be a Lot or Unit Owner;

(b) Signs identifying and advertising the Common Interest Community and the Lots and/or Units therein, or relating to development or construction thereon;

(c) Model residences constructed or to be constructed on Lots, or model Units;

(e) Employees in offices; equipment; vehicles; and marketing and construction materials.

Together with the right to attract, invite or bring prospective purchasers of Lots and/or Units into the Common Interest Community at all times, and to permit them to use and enjoy the Master Common Areas.

6.5 Annexation of Additional Properties. The right to annex to the Common Interest Community. Each Owner of a Lot or Unit hereunder hereby grants to Declarant the right to annex

additional property to the Common Interest Community and to modify such Owner's Allocated Interests accordingly. Alternatively, Declarant shall have the right and is authorized to develop portions of the additional property and/or to convey portions of the additional property to such third party or parties as Declarant may deem appropriate, prior to and instead of annexing them to the Common Interest Community, whether for purposes consistent with this Master Declaration or otherwise. Declarant makes no assurances that all or any portion of additional property will be added to the Common Interest Community and Declarant reserves the right to annex all or any portion of additional property to the Common Interest Community in any order it deems appropriate in its sole and absolute discretion.

6.6 Annexation Procedure. The annexation of additional real property to the Common Interest Community shall be accomplished by the Recording by Declarant with the Clerk and Recorder of Teton County of a Supplemental Declaration containing a legal description of the land area to be added to the Common Interest Community and amending this Master Declaration accordingly, together with a Supplemental Plat thereof. The Supplemental Declaration shall assign an identifying number to each new Lot or Unit created thereby, and shall reallocate the Allocated Interests of all Lot and Unit Owners in the Common Interest Community in accordance with the definition of Allocated Interests contained in this Master Declaration. The Supplemental Declaration shall also describe any Master or Subassociation Common Areas or Limited Common Areas thereby created, and any Common elements and any Limited Common elements thereby created, and in the case of Limited Common Elements, the Supplement Declaration shall designate the Unit(s) to which each is allocated.

The annexation of the additional property may be accomplished by successive Supplemental Declarations, in no particular or pre-established order, and may provide that property annexed thereby (the "Annexed Property") is phased so that it is made subject to this Master Declaration at different times. Upon Recording of a Supplemental Declaration, the Annexed Property described therein shall be subject to all of the covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes, and other provisions set forth in this Master Declaration, except to the extent specifically stated in the Supplemental Declaration or as modified thereby. Any such Supplemental Declaration may impose on the Annexed Property described therein additional covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes, and other provisions that those set forth in this Master Declaration, taking into account the unique and particular aspects of the Annexed Property covered thereby and of the proposed development thereof. Furthermore, Declarant shall have the right to reserve in such Supplemental Declaration any development rights that Declarant considers necessary or appropriate, provided that such provision shall not extend the termination date for the exercise of Declarant's development rights as set forth in Section 6.13 below. A supplemental Declaration may provide for a Subassociation of Owners within the Annexed Property described in the Supplemental Declaration and for the right of the Subassociation to assess such owners for common expenses unique to those Owners.

6.7 Annexation of Additional Unspecified Real Estate. The right to annex additional unspecified real estate to the Common Interest Community to the fullest extent permitted by the

Act. In the event that Declarant elects to annex any such additional unspecified real estate, Declarant shall annex such property to the Common Interest Community in accordance with the provisions of Section 6.6 above.

6.8 Effect of Expansion or Contraction. In the event any real property is annexed to the Common Interest Community as provided herein, or if any real property is withdrawn from the Common Interest Community as provided herein, the definitions used in this Master Declaration shall be automatically expanded or contracted to encompass and refer to the Common Interest Community as expanded or contracted, e.g., “Common Interest Community” shall mean the real property described herein plus any additional real property annexed thereto and/or minus any real property withdrawn therefrom; similarly, “Master Common Areas” and “Lots” and “Units” shall mean and include those areas as described herein as well as or less those so designated on any Supplemental Declaration or Supplemental Plat (or any amendment to a Declaration or Plat) relating to any real property which is annexed or withdrawn pursuant to this Article 6. Master Common Areas shall also mean and include all properties located from time to time within the Annexed Property that fall within the definition of Master Common Areas contained in this Master Declaration, less any Master Common Areas removed by withdrawal. References to this Master Declaration shall mean this Master Declaration as so supplemented by any Supplemental Declaration and any Supplemental Plat, or as amended. Every Owner of a Lot or Unit in the area annexed to the Common Interest Community shall, by virtue of ownership of such Lot or Unit and upon recordation of the Supplemental Declaration annexing such property to the Common Interest Community, be a member of the Master Association and, except as may be otherwise provided in the Supplemental Declaration, shall be entitled to the same rights and privileges and subject to the same duties and obligations as any other Master Association Member. Regular Assessments for Lots or Units within the Annexed Property shall commence as of the date of the Recording of the Supplemental Declaration and shall be prorated as of such date.

The recording of amendments to the Master Declaration and Plat, whether in the form of Supplemental Declarations and Supplemental Plats or otherwise, which reallocate the Allocated Interests in the Common Interest Community, shall automatically:

- (a) Vest in each existing Lot and Unit Owner the reallocated Allocated Interests appurtenant to the Owner’s Lot or Unit; and
- (b) Vest in each existing Mortgagee a perfected security interest in the reallocated Allocated Interests appurtenant to the encumbered Lot or Unit.

6.9 Subdivision of Blocks or Lots or Units; Conversions of Lots or Units into Master Common Area. Declarant shall have and hereby reserves the right to subdivide any Declarant-owned Block or Lot or Unit located within the Common Interest Community to create additional Lots or Units, subject to the maximum number of Lots and Units set forth in the Recitals to this Master Declaration; provided, however, that such subdivision is consistent with the P.U.D. for

Teton Springs or that said P.U.D. is amended if necessary, and that the subdivision is accomplished in compliance with County subdivision requirements. Declarant shall also have and hereby reserves the right to convert one or more Lots or Units into Common Area. Upon the subdivision of any Block or Lot or Unit or the conversion of any Lot(s) or Unit(s) into Master Common Area in accordance with the terms and conditions contained herein, the Allocated Interests of all Owners shall be reallocated in accordance with the definition of Allocated Interests contained in this Master Declaration.

6.10 Other Reserved Development Rights. The right with respect to all or any Declarant-owned portion of the Common Interest Community (including the Lots and Units) to (a) create Master Common Areas or Limited Common Areas; (b) create additional Lots or Units, subject to the maximum set forth in the Recitals to this Master Declaration; (c) subdivide Lots or Units as set forth in Section 6.10 above, (d) combine Lots or Units, (e) convert Lots or Units into Master Common Areas, (f) convert Master Common Areas into Lots or Units, and (g) create Common Elements and/or Limited Common Elements.

6.11 Transfer of Declarant's Reserved Rights. Any one or more rights created or reserved for the benefit of Declarant under this Article 6 or elsewhere in this Master Declaration or in any Supplemental Declaration may be transferred to any Person by an instrument describing the right or rights transferred and Recorded in Teton County. Such instrument shall be executed by the transferor Declarant and the transferee.

6.12 Termination of Declarant's Reserved Rights. With the exception of Declarant's right to appoint or remove Executive Board members and officers of the Master Association, which is addressed in Section 8.5 below, the rights reserved to Declarant in this Article 6 shall automatically terminate and expire upon the first to occur of (i) the date which is thirty (30) years after the Recording of this Master Declaration, or (ii) Declarant's relinquishment and surrender of such rights by Recorded instrument. Declarant may from time to time relinquish and surrender one or more but less than all of the reserved rights, in which event the unrelinquished reserved rights shall remain fully valid and effective for the remainder of the term thereof. The Master Association may extend the time period for exercise of a development right, or reinstate a lapsed development right, subject to whatever terms, conditions and limitations the Master Association may impose on the subsequent exercise of the development right. The extension or renewal of a development right and any terms, conditions and limitations shall be included in an amendment executed by Declarant or the owner of the real estate subject to the development right and the Master Association.

7.1 Easements for Incidental Encroachments. ARTICLE 8 MASTER ASSOCIATION

8.1 Master Association. The Master Association has been formed as an Idaho nonprofit corporation under the Idaho Nonprofit Corporation Act to manage the affairs of the Common Interest Community. The Master Association shall serve as the governing body for all of the Owners and Occupants for the protection, improvement, alteration, maintenance, repair, replacement, administration and operation of the Master Common Areas, the Limited Common Areas, the levying and collection of Assessments for Common Expenses and other expenses of the Master Association, and such other matters as may be provided in this Master Declaration, any Supplemental Declaration, the Articles, Bylaws, and Master Rules and Regulations. The Master Association shall not be deemed to be conducting a business of any kind, and all funds received by the Master Association shall be held and applied by it for the Owners in accordance with the provisions of this Master Declaration, the Articles and the Bylaws.

8.2 Master Association Executive Board. The affairs of the Master Association shall be managed by an Executive Board. The number, term, and qualifications of the members of the Executive Board shall be fixed in the Articles of Incorporation or the Bylaws. A quorum shall be deemed present throughout any meeting of the Executive Board if persons entitled to cast at least fifty percent (50%) of the votes on the Executive Board are present at the beginning of the meeting or grant their proxy. With the exception of matters that may be discussed in executive sessions, all regular and special meetings of the Executive Board or any committee thereof shall be open to attendance by all Members of the Master Association or their representatives. Without limiting the generality of the foregoing, no Master Rule or Regulation may be validly adopted during an executive sessions. Agendas for meeting of the Executive Board shall be made reasonably available for examination by all members of the Master Association or their representatives.

The Executive Board shall have all of the powers, authority and duties granted or delegated to it by the Act, this Master Declaration, any Supplemental Declaration, the Articles or Bylaws. Except as provided in the Act, this Master Declaration, any Supplemental Declaration, the Articles or Bylaws, the Executive Board may act in all instances on behalf of the Master Association.

The Executive Board may not, however, act on behalf of the Master Association to amend this Master Declaration, to terminate the Common Interest Community, or to elect members of the Executive Board or determine the qualifications, powers and duties, or terms of office of Executive Board members, but the Executive Board may fill vacancies in its membership for the unexpired portion of any term.

The Executive Board may, by resolution, delegate portions of its authority to officers of the Master Association, but such delegation of authority shall not relieve the Executive Board of the ultimate responsibility for management of the affairs of the Master Association. If appointed by Declarant, in the performance of their duties, the members of the Executive Board and the officers of the Master Association are required to exercise the care required of fiduciaries of the Lot and Unit Owners. If not appointed by Declarant, no member of the Executive Board and no officer shall be liable for actions taken or omissions made in the performance of such member's or officer's duties except for wanton and willful acts or omissions.

8.3 Membership in Master Association. There shall be one Membership in the Master Association for each Lot and Unit within the Common Interest Community. The Person or persons who constitute the Owner of a Lot or Unit shall automatically be the holder of the Membership appurtenant to that Lot or Unit, and shall collectively be the "Member" of the Master Association with respect to that Lot or Unit, and the Membership appurtenant to that Lot or Unit shall automatically pass with fee simple title to the Lot or Unit. Declarant shall hold a Membership in the Master Association for each Lot or Unit owned by Declarant. Membership in the Master Association shall not be assignable separate and apart from fee simple title to a Lot or Unit, and may not otherwise be separated from ownership of a Lot or Unit.

8.4 Voting Rights of Members. Each Lot and each Unit in the Common Interest Community shall be entitled to one (1) vote in the Master Association, i.e., one (1) vote per Owner/Member. Occupants of Lots or Units, or of Caretaker or Accessory Dwelling Units shall not have voting rights. If title to a Lot or Unit is owned by more than one (1) persons, such persons shall collectively vote their interest as a single vote. If only one of the multiple owners of a Lot or Unit is present at a Master Association meeting, such owner is entitled to cast the vote allocated to that Lot or Unit. If more than one of the multiple owners is present, the vote allocated to that Lot or Unit may be cast only accordance with the agreement of a majority in interest of the owners. There is majority agreement if any of the multiple owners casts the vote allocated to that Lot or Unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the Lot or Unit. In the Event of a protest being made by one or more multiple owners, and a majority of the multiple owners of the Lot or Unit cannot agree on how to cast their vote, any vote cast for that Lot or Unit shall be null and void with regard to the issue being voted upon. Such multiple owners and their Lot or Unit shall nevertheless be counted in determining the presence of a quorum with respect to the issue being voted upon.

Except as may otherwise be provided in the Bylaws, a quorum is deemed present throughout any meeting of the Members of the Master Association if persons entitled to cast at least twenty percent (20%) of the votes in the Master Association are present, in person or by proxy, at the beginning of the meeting.

Provided a quorum of Members entitled to vote is present in person or by proxy, the affirmative vote of a majority of the Members so present shall constitute approval of any matter voted upon unless a different number is required on a particular matter by the Act, this Master Declaration, any Supplemental Declaration, the Articles, or the Bylaws.

The vote allocated to a Lot or Unit may be cast pursuant to a proxy duly executed by a Lot or Unit Owner. If a Lot or Unit is owned by more than one person, each owner of the Lot or Unit may vote or register protest to the casting of a vote by the other owners of the Lot or Unit through a duly executed proxy. A Lot or Unit Owner may not revoke a proxy given pursuant to this Section except by actual notice of revocation to the person presiding over a meeting of the Master Association. A proxy is void if it is not dated or purports to be revocable without notice. A proxy shall terminate eleven (11) months after its date, unless a different termination date is otherwise set forth on its fact.

No votes allocated to a Lot or Unit owned by the Master Association may be cast.

The Lot and Unit Owners, by a vote of sixty-seven percent (67%) of all Members present and entitled to vote at any meeting of the Lot and Unit Owners at which a quorum is present, may remove any member of the Executive Board with or without cause, other than a member appointed by Declarant.

8.5 Period of Declarant Control of Master Association. Notwithstanding any other provisions hereof. Declarant shall have and hereby reserves the power to appoint and remove, in its sole discretion, the members of the Executive Board and the officers of the Master Association during the period commencing upon the Recording of this Master Declaration and terminating no later than the earlier of (a) sixty (60) days after conveyance of seventy-five (75%) of the Lots and Units that may be created to Lot or Unit Owners other than Declarant; or (b) two (2) years after the last conveyance of a Lot or Unit by the Declarant in the ordinary course of business; or (c) two (2) years after any right to add new Lots or Units was last exercised by Declarant.

During said Period of Declarant Control of the Master Association:

(a) Not later than sixty (60) days after conveyance of fifty % (50%) of the Lots and Units that may be created to Lot or Unit Owners other than Declarant, at least one (1) member and not less than twenty-five percent (25%) of the members of the Executive Board must be elected by Lot and Unit Owners other than Declarant.

At any time prior to the termination of the Period of Declarant Control of the Master Association, the Declarant may voluntarily surrender and relinquish the right to appoint and remove officers and members of the Executive Board, but in such event Declarant may require, for the duration of the Period of Declarant Control of the Master Association, that specified actions of the Master Association or the Executive Board, as described in a Recorded instrument executed by Declarant, be approved by Declarant before they become effective. As to such actions, Declarant may give its approval or disapproval in its sole discretion and option, and its disapproval shall invalidate any such action by the Executive Board or the Master Association. Not later than the termination of the Period of Declarant Control of the Master Association, the Lot and Unit Owners (including Declarant) shall elect an Executive Board of at least three (3) members, at least a majority of whom must be Lot or Unit Owners other than Declarant or designated representatives of Lot and Unit Owner other than Declarant, and the Executive Board shall elect the officers, with such Executive Board members and officers to take office upon election. Within sixty (60) days after Lot or Unit Owners other than Declarant elect a majority of the members of the Executive Board, Declarant shall deliver to the Master Association all property of the Lot or Unit Owners and of the Master Association held or controlled by Declarant, including without limitation the following items:

(a) The original certified copy of the recorded Master Declaration as amended, the Master Association's Articles of Incorporation, Bylaws, minute books, other books and records, and any rules and regulations which may have been promulgated;

(b) An accounting for Master Association funds and financial statements from the date the Master Association received funds and ending on the date the Period of Declarant Control ends.

(c) The Master Association funds or control thereof;

(d) All of Declarant's tangible personal property that has been represented by the Declarant to be the property of the Master Association or all of the Declarant's tangible personal property that is necessary for, and has been used exclusively in, the operation and enjoyment of the Master Common Areas, and inventories of these properties;

(e) A copy, for the nonexclusive use by the Master Association, of any plans and specifications used in the construction of the improvements in the Common Interest Community;

(f) All insurance policies then in force, in which the Lot or Unit Owners, the Master Association, or its directors and officers are named as insured persons;

(g) Copies of any certificates of occupancy that may have been issued with respect to any improvements comprising the Common Interest Community;

(h) Any other permits issued by governmental bodies applicable to the Common Interest Community and which are currently in force or which were issued within one year prior to the date on which Lot and Unit Owners other than the Declarant took control of the Master Association;

(i) Written warranties of the contractor, subcontractors, suppliers, and manufacturers that are still effective;

(j) A roster of Lot and Unit Owners and Occupants and Mortgagees and their addresses and telephone numbers, if known, as shown on the Declarant's records;

(k) Employment contracts in which the Master Association is a contracting party; and

(l) Any service contract in which the Master Association is a contracting party or in which the Master Association or the Lot or Unit Owners have any obligation to pay a fee to the persons performing the services.

8.6 Termination of Contracts and Leases of Declarant. The following contracts and leases, if entered into before the Executive Board elected by the Lot and Unit Owners takes office, may be terminated without penalty by the Master Association at any time after the Executive Board elected by the Lot and Unit Owners pursuant to said Section takes office, upon not less than ninety (90) days notice to the other party: (i) Any management contract, employment contract or lease of recreational or parking areas or facilities; (ii) Any other contract or lease between the Master Association and Declarant or an affiliate of Declarant; or (iii) Any contract or lease that is not bona fide or was unconscionable to the Lot and Unit Owners at the time entered into under the circumstances then prevailing.

8.7 Master Association/Subassociations. Every Supplemental Declaration in which a Subassociation is organized and/or established shall contain sufficient language delegating responsibilities and control and subordinating it to the Master Association and to this Master

Declaration to effectuate the purposes of this Master Declaration. Each Supplemental Declaration shall provide that the Executive Board shall be elected after the termination of the Period of Declarant Control of the Master Association by all Lot and Unit Owners of all Common Interest Communities subject to the Master Declaration. If both a Subassociation and the Master Association have liens for Assessments created at any time on the same Lots or Units, the lien of the Master Association shall take priority over the lien of any Subassociation.

ARTICLE 9 POWERS AND DUTIES OF MASTER ASSOCIATION

9.1 General Powers and Duties of Master Association. The Master Association shall have any may exercise all of the powers and rights and duties of an Idaho corporation formed under the Idaho Nonprofit Corporation Act, and all of the powers and duties provided for state law as such laws may be amended from time to time, subject only to the limitations upon such powers as are contained in this Master Declaration. More specifically, and without limiting the generality of the foregoing, the Master Association shall have all of the powers and duties necessary (i) for the administration, management, governance and operation of the Common Interest Community and the Master Association, (ii) to own, operate, improve, maintain, repair, manage, lease, encumber, and otherwise deal with the Master Common Areas, (iii) to improve, maintain and repair the Limited Common Areas, and (iv) to do any and all lawful things that may be authorized, required or permitted to be done by the Master Association under the Act and/or under the provisions of this Master Declaration and any Supplemental Declarations.

9.2 Power to Grant Easements. The Master Association shall have the power to grant access, utility, drainage, irrigation, and such other easements upon, over, across or under the Master Common Areas as it deems necessary or desirable for the benefit of the Common Interest Community or parts thereof, or for the benefit of all or less than all of the Lot or Unit Owners, or for the benefit of lands situated outside the Common Interest Community.

9.3 Power to Convey or Encumber Master Common Areas. The Master Association shall have the power to convey, or subject to a security interest, portions of the Master Common Areas if Owners entitled to cast at least sixty-seven percent (67%) of the votes of the Master Association, including sixty-seven percent (67%) of the votes allocated to Lots and Units not owned by Declarant, agree to that action, except that all Owner(s) of Lots or Units to which any Limited Common Area or Limited Common Element is allocated must agree in order to convey that Limited Common Area or Limited Common Element or to subject it to a security interest. Proceeds of the sale are an asset of the Master Association.

An agreement to convey, or subject to a security interest, Master Common Areas must be evidenced by the execution of an agreement, in the same manner as deed, by the Master Association. The Agreement must specify a date after which the Agreement will be void unless approved by the requisite percentage of Lot and Unit Owners. Any grant, conveyance or deed executed by the Master Association must be Recorded in the County, and is effective only upon Recordation. The Master Association, on behalf of the Lot and Unit Owners, may contract to convey an interest in a Master Common Area, but the contract is not enforceable against the Master Association until approved, executed and ratified pursuant to this Section 9.3. Thereafter, the Master Association shall have all the powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute deeds or other instruments. Unless in compliance with this Section 9.3, any purported conveyance or encumbrance of Master Common Areas pursuant to this Section 9.3 shall not deprive any Lot or Unit of its rights of (i) access, ingress and egress to the Lot or Unit, and (ii) support of the Lot or Unit. A conveyance or encumbrance of the Master Common Areas pursuant to this Section 9.3 shall not affect the priority or validity of preexisting encumbrances.

The foregoing list shall not be deemed to be representation by Declarant of services or facilities that will in fact be available for use by the Owners. The Master Association may enter into such agreements and arrangements as it may deem appropriate with any provider of utilities or services to the Common Interest Community or any portion thereof, including any special districts that provide such services, and may form or join any districts created to provide such services.

9.5 Power to Provide Services to Subassociations. The Master Association shall have the power, but not the obligation, to provide services to Subassociations. The Master Association shall manage, operate, care for, maintain, repair and replace all Master Common Areas and keep the same in a clean and attractive condition for the benefit and enjoyment of the Owners. Commencing not later than the time of the first conveyance of a Lot or Unit to a Person other than Declarant, the Master Association shall maintain and keep in effect at all times the following types of insurance, and the cost of said coverage shall be paid by the Master Association as a Common Expense:

(a) **Casualty Insurance.** To the extent reasonable available, property insurance on all Master Common Areas, including but not limited to Improvements and personalty, owned or leased by the Master Association, and on all property that must become Master Common Areas. Such insurance shall be for broad form covered causes of loss, including casualty, fire, and extended coverage insurance including, if available at reasonable cost, coverage for vandalism and malicious mischief and, if available and if deemed appropriate, coverage for flood, earthquake, and war risk. Such insurance shall, to the extent reasonably obtainable, be for the full insurable replacement cost of the insured property, less applicable deductibles at the time the insurance is purchased and at each renewal date. exclusive of land, excavation, foundations and other items normally excluded from property policies.

(b) **Liability Insurance.** Comprehensive general liability insurance against claims and liabilities arising in connection with the ownership, existence, use, maintenance or management of the Master Common Areas (including the Limited Common Areas), and ditches, and the payment for the costs of the maintenance of the Public Parks and covering public liability or claims of liability for injury to persons and/or property, and death of any person or persons, and, if the Master Association owns or operates motor vehicles, public liability or claims of liability for bodily injury (including death) and property damage arising as a result of the ownership and operation of motor vehicles. (d) ***Fidelity Bonds.*** To the extent reasonably available, fidelity bond coverage against dishonest acts on the part of directors, officers, managers, trustees, agents, employees or volunteers responsible for handling funds belonging to or administered by the Master Association. If funds of the Master Association are handled by a management agent, then fidelity bond coverage may also be obtained for the officers, employees, or agents thereof handling or responsible for Master Association funds. The fidelity bond or insurance must name the Master Association as named insured and shall be written to provide protection in an amount no less than the lesser of (a) one-half times the Master Association's estimated annual operating expenses and reserves, (b) a sum equal to three (3) months aggregate Regular Assessments, plus reserves, as calculated from the current Budget of the Master Association; or (c) the estimated maximum amount of funds, including reserves, in the custody of the Master Association (and its management agent) at any one time. In connection with such coverage, an appropriate endorsement to the policy to cover any person who serves without compensation shall be added if the policy would not otherwise cover volunteers.

(e) ***Worker's Compensation.*** A Worker's Compensation policy, if necessary, to meet the requirements of law.

(f) ***Directors and Officers Liability Insurance.*** Directors and officers liability insurance with coverage of at least Two Million Dollars (\$2,000,000.00) or such greater amount as the Executive Board shall approve for all Master Association, Executive Board and Development Review Committee directors, officers, members and managers, for any and all errors and/or omissions and other covered actions that occur during their tenure in office or employment. This insurance coverage shall be mandatory.

(g) ***Other Insurance.*** Such other insurance in such amounts as the Executive Board shall determine, from time to time, to be appropriate to protect the Master Association or the Lot and Unit Owners, or as may be required by the Act.

(h) ***General Provisions Respecting Insurance.*** Insurance obtained by the Master Association may contain such deductible provisions as good business practice may dictate. If the insurance described is not reasonably available, or if any policy of such insurance is canceled or not renewed without a replacement policy therefor having been obtained by it, the Master Association shall promptly cause notice of that fact to be delivered or sent prepaid by U.S. Mail to all Owners.

Insurance policies carried pursuant to Section 9.17(a) and 9.17(b) above shall provide that (i) each Owner is an insured Person under the policy with respect to liability arising out of such Owner's interest in the Master Common Areas or membership in the Master Association; (ii) the insurer waives its rights of subrogation under the policy against the Master Association, each Owner, and any Person claiming by, through, or under such Owner or any other director, agent, or employee of the foregoing; (c) no act or omission by any Owner, unless acting within the scope of such Owner's authority on behalf of the Master Association, will void the policy or be a condition to recovery under the policy; and (d) if at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Master Association's policy shall be the primary insurance. An insurer that has issued an insurance policy for the insurance described in Section 9.17(a) and 9.17(b) above shall issued certificates or memoranda of insurance to the Master Association and, upon request, to any Lot or Unit Owner or holder of a security interest. Unless otherwise provided by statute, the insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or nonrenewal has been mailed to the Master Association, and each Lot and Unit Owner and holder of a security interest to whom a certificate or memorandum of insurance has been issued, at their respective last-known addresses.

Any loss covered by the property insurance policy described in Section 9.17(a) above must be adjusted with the Master Association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the Master Association, and not to any holder of a security interest. The insurance trustee or the Master Association shall hold any insurance proceeds in trust for the Master Association Lot and Unit Owners and lien holders as their interests may appear. Subject to the provisions of state law the proceeds must be disbursed first for the repair or restoration of the damaged property, and the Master Association, Lot and Unit Owners, and lien holders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored or the Common Interest Community is terminated.

The Master Association may adopt and establish written nondiscriminatory policies and procedures relating to the submittal of claims, responsibility for deductibles, and any other matters of claims adjustment. To the extent the Master Association settles claims for damages to real property, it shall have the authority to assess negligent Owners causing such loss or benefitting from such repair or restoration for all deductibles paid by the Master Association. In the event more than one Lot or Unit is damaged by a loss, the Master Association in its reasonable discretion may assess each Lot and Unit Owner a pro rata share of any deductible paid by the Master Association.

Insurance obtained by the Master Association shall, to the extent reasonably possible, and provided Declarant reimburses the Association for any additional premium payable on account thereof, name Declarant as an additional insured and shall contain a waiver of rights of subrogation as against Declarant.

Insurance policies and insurance coverage shall be reviewed at least annually by the Executive Board to ascertain whether coverage under the policies is sufficient in light of the current values of the Master Common Areas and in light of the possible or potential liabilities of the Master Association and other insured parties. The aforementioned insurance may be provided under blanket policies covering the Master Common Areas and property of Declarant.

In no event shall insurance coverage obtained or maintained by the Master Association obviate the need for Owners and Occupants to obtain insurance for their own benefit.

Furthermore, to the extent reasonable available, insurance policies obtained by the Master Association shall contain the following provisions:

(i) The coverage afforded by such policies shall not be brought into contribution or proration with any insurance which may be purchased by a Lot or Unit Owner, Occupant or Mortgagee.

(ii) The conduct of any one or more Lot or Unit Owners or Occupants shall not constitute grounds for avoiding liability on any such policies.

(iii) Each policy must contain a waiver of any defenses based on co-insurance or on invalidity arising from the acts of the insured.

(iv) A "severability of interest" endorsement shall be obtained which shall preclude the insurer from denying the claim of a Lot or Unit Owner or Occupant because of the conduct or negligence acts of the Master Association and its agents or other Lot or Unit Owners or Occupants.

(v) Any "no other insurance" clause shall exclude insurance purchased by Lot or Unit Owners, Occupants or Mortgagees.

(vi) Coverage must not be prejudiced by (i) any act or neglect of Lot or Unit Owners or Occupants when such act or neglect is not within the control of the Master Association, or (ii) any failure of the Master Association to comply with any warranty or condition regarding any portion of the Common Interest Community over which the Master Association has no control.

(vii) Coverage may not be canceled or substantially modified without at least thirty (30) days (or such lesser period as the Master Association may reasonably deem appropriate) prior written notice to the Master Association.

(viii) Any policy of property insurance which gives the carrier the right to elect to restore damage in lieu of a cash settlement must provide that such election is not exercisable without the prior written approval of the Master Association, or when in conflict with the insurance trust provisions contained herein, or any requirement of law.

(ix) A recognition of any insurance trust agreement entered into by the Master Association.

(x) Each hazard insurance policy shall be written by a hazard insurance carrier which has a financial rating as designated in Best's Key Rating guide of Class VI or better, or if such rating service be discontinued, an equivalent rating by a successor thereto or a similar such rating service. Each insurance carrier must be specifically licensed or authorized by law to transact business with in the State of Idaho.

(i) ***Nonliability of Master Association or Executive Board.*** Notwithstanding the duty of the Master Association to obtain insurance coverage, as stated herein, neither the Master Association nor any Executive Board member, nor the Declarant, shall be liable to any Lot or Unit Owner, Occupant, Mortgagee or other Person, if any risks or hazards are not covered by insurance, or if the appropriate insurance is not obtained because such insurance coverage is not reasonably obtainable on the Master Association's behalf, or if the amount of insurance is not adequate, and it shall be the responsibility of each Lot and Unit Owner and Occupant to ascertain the coverage and protection afforded by the Master Association's insurance and to procure and pay for such additional insurance coverage and protection as the Lot or Unit Owner or Occupant may desire.

(j) ***Master Premiums.*** Premiums for insurance policies purchased by the Master Association and other expenses connected with acquiring such insurance shall be paid by the Master Association as a Common Expense, except that (i) liability insurance of Limited Common Areas shall be separately bid and the costs thereof shall only be included in the Regular Assessments of the Lots entitled to use such Limited Common Areas, and (ii) the amount of increase over any annual or other premium occasioned by the use, misuse, occupancy or abandonment of a Lot or Unit or its appurtenances, or the Master Common Areas, by a Lot or Unit Owner or Occupant, may at the Executive Board's election, be assessed against that particular Lot or Unit Owner and his Lot or Unit as a Reimbursement Assessment.

(k) ***Insurance Claims.*** the Master Association is hereby irrevocably appointed and authorized, subject to the provisions contained herein, to adjust all claims arising under insurance policies purchased by the master Association and to execute and deliver releases upon the payment of claims, and to do all other acts reasonably necessary to accomplish any of the foregoing. The Executive Board has full and complete power to act for the Master Association in this regard, and may, in its discretion, appoint an authorized representative, or enter into an insurance trust agreement, wherein the trustee shall have the authority to negotiate losses under any policy purchased by the Master Association.

(l) **Benefit.** Except as otherwise provided herein, all insurance policies purchased by the Master Association shall be for the benefit of, and any proceeds of insurance received by the Master Association or any insurance trustee shall be held or disposed of in trust for the Master Association, the Lot Owners, the Unit Owners, or the Occupants, as their interests may appear.

(m) **Other Insurance to be Carried by Lot or Unit Owners.** Insurance coverage on the furnishings and other items of personal property belonging to a Lot or Unit Owner or Occupant, public liability insurance coverage upon each Lot or Unit, and hazard insurance coverage on the Improvements constructed on Lots and Units, shall be the responsibility of the Owner or Occupant of the Lot or Unit. No Lot or Unit Owner or Occupant shall maintain any insurance, whether on its Lot or Unit or otherwise, which would limit or reduce the insurance proceeds payable under the casualty insurance maintained by the Master Association in the event of damage to the Improvements or fixtures on the Master Common Areas.

9.18 Damage to Common Interest Community. Any portion of the Common Interest Community for which insurance is required under state law (except any portion on which insurance is carried by a Subassociation) which is damaged or destroyed must be repaired or replaced promptly by the Master Association unless: (i) repair or replacement is the responsibility of a Subassociation under a Supplemental Declaration; (ii) the Common Interest Community is terminated; (iii) repair or replacement would be illegal under any state or local statute or ordinance governing health or safety; (iv) sixty-seven percent (67%) of the Lot and Unit Owner, including owners of every Lot or Unit that will not be rebuilt, vote not to rebuild; or (v) prior to the conveyance of any Lot or Unit to a person other than Declarant, a Mortgagee on the damaged portion of the Common Interest Community rightfully demands all or a substantial part of the insurance proceeds.

The cost of repair or replacement in excess of insurance proceeds and reserves is a Common Expense. If the entire Common Interest Community is not repaired or replaced, the insurance proceeds attributable to the damaged Master Common Areas must be used to restore the damaged area to a condition compatible with the remainder of the Common Interest Community, and, except to the extent that other Persons will be distributees, the insurance proceeds attributable to Lots or Units that are not rebuilt must be distributed to the Owners of those Lots or Units, or to lien holders, as their interests may appear, and the remainder of the proceeds must be distributed to all Lot and Unit owners or lien holders, as their interest may appear, and the remainder of the proceeds must be distributed to all Lot and Unit Owners or lien holders as their interests may appear in proportion to the Common Expense Liabilities of all the Lots and Units.

In the event of damage to or destruction of all or a portion of the Master Common Areas due to fire or other adversity or disaster, the insurance proceeds, if sufficient to reconstruct or repair the damage, shall be applied by the Master Association to such reconstruction and repair. If the insurance proceeds with respect to such Master Common Area damage or destruction are insufficient to repair and reconstruct the damage or destruction, the Master Association may levy a Special Assessment in the aggregate amount of such deficiency, or if any Owner or group of

Owners is liable for such damage, may levy a Reimbursement Assessment against the Owner or group of Owners responsible therefor, and shall proceed to make such repairs or reconstruction. Such Assessment shall be due and payable as provided by resolution of the Executive Board, but not sooner than sixty (60) days after written notice thereof. The Assessment provided for herein shall be a debt of each Lot and Unit Owner assessed and a lien on his Lot or Unit, and may be enforced and collected in the same manner as any Assessment Lien provided for in this Master Declaration. If the entire damaged Master Common Area is not repaired or replaced, the insurance proceeds attributable to the damaged Master Common Area must be used to restore the damaged area to a condition compatible with the remainder of the Common Interest Community. No distributions of insurance proceeds shall be made unless made jointly payable to the Lot and Unit Owners and first Mortgagees of their respective Lots or Units, if any.

9.19 Limited Liability. Neither the Master Association nor its past, present or future officers or directors, nor any other employee, agent or committee member of the Master Association shall be liable to any Owner or Occupant or to any other Person for actions taken or omissions made except for wanton and willful acts or omissions. Without limiting the generality of the foregoing, the Master Association, the Executive Board and the Development Review Committee shall not be liable to any Owner or Occupant or other Person for any action or for any failure to act with respect to any matter if the action taken or failure to act was in good faith and without malice. Acts taken upon the advice of legal counsel, certified public accountants, registered or licensed engineers, architects or surveyors shall conclusively be deemed to be in good faith and without malice. To the extent insurance carried by the Master Association for such purposes shall not be adequate, the Owners severally agree to indemnify and to defend the Master Association, the Executive Board and the Development Review Committee against claims, damages or other liabilities resulting from such good faith action or failure to act.

ARTICLE 10 ASSESSMENTS

10.1 Assessment Obligation and Lien. Declarant, for each Lot and Unit, shall be deemed to covenant and agree, and each Lot or Unit Owner, by acceptance of a deed therefor (including a public trustee's or sheriff's deed), whether or not it shall be so expressed in any such deed or other instrument of conveyance, shall be deemed to covenant and agree, to pay to the Master Association: (1) Regular Assessments or charges, (2) Special Assessments, and (3) Reimbursement Assessments, such assessments to be established and collected as hereinafter provided (collectively the "Assessments"). The Assessments, together with interest, late charges, costs, and reasonable attorneys' fees, shall be a continuing lien and security interest upon the Lot or Unit against which each such Assessment is charged. The obligation for such payments by each Lot or Unit Owner to the Master Association is an independent covenant, with all amounts due from time to time payable in full without notice (except as otherwise expressly provided in this Declaration) or demand, and without set-off or deduction of any kind or nature. Each Lot or Unit Owner is liable for Assessments made against such Owner's Lot or Unit during his period of ownership of the Lot or Unit. Each Assessment, together with interest, late charges, costs and

reasonable attorneys' fees, shall also be the joint, several and personal obligation of each Person who was an Owner of such Lot or Unit at the time when the Assessment became due. Upon the transfer of title to a Lot or Unit, the transferor and the transferee shall be jointly, severally and personally liable for all unpaid Assessments and other charges due to the Master Association prior to the date of transfer, and the transferee shall be personally liable for all such Assessments and charges becoming due thereafter.

10.2 Statutory Lien. The Master Association has a statutory lien pursuant to state law on the Lot or Unit of an Owner for all Assessments levied against such Lot or Unit or fines imposed against such Lot's or Unit's Owner from the time the Assessment or fine becomes due (the "Assessment Lien"). Fees, charges, late charges, attorneys' fees, fines and interest charged by the Master Association pursuant to the Act or this Master Declaration or any Supplemental Declaration are enforceable as Assessments. The amount of the lien shall include all such items from the time such items become due. If an Assessment is payable in installments, the Master Association has an Assessment Lien for each installment from the time it becomes due, including the due date set by the Executive Board's acceleration of installment obligations. An Assessment Lien is extinguished unless proceedings to enforce the lien are instituted within six (6) years after the full amount of Assessments becomes due.

10.3 Lien Superior to Homestead and Other Exemptions. An Assessment Lien shall be superior to any homestead exemption now or hereafter provided by the laws of the State of Idaho or any exemption now or hereafter provided by the laws of the United States. The acceptance of a deed subject to this Master Declaration shall constitute a waiver of the homestead and any other exemption as against said Assessment Lien.

10.4 Priority of Lien. An Assessment Lien is prior to all other liens and encumbrances on a Lot or Unit except as follows:

- (a) Liens and encumbrances Recorded before the recordation of this Master Declaration;
- (b) A security interest on the Lot or Unit which has priority over all other security interests on the Lot or Unit and which was Recorded before the date on which the Assessment sought to be enforced became delinquent. An Assessment Lien is prior to the security interest described in the preceding sentence to the extent of an amount equal to the Regular Assessments (based on a Budget adopted by the Master Association pursuant to Section 10.7 below) which would have become due, in the absence of any acceleration, during the six (6) months immediately preceding institution by the Master Association or any party holding a lien senior to any part of the Master Association lien created under this Article 10 of an action or a non-judicial foreclosure either to enforce or to extinguish the lien;
- (c) Liens for real estate taxes and other governmental assessments or charges against the Lot or Unit; and

(d) As may otherwise be set forth in the Act. The priority of mechanics' and materialmen's liens is not affected by the Act.

This Article 10 does not prohibit an action or suit to recover sums for which this Article 10 creates a lien or prohibits the Master Association from taking a deed in lieu of foreclosure. Sale or transfer of any Lot or Unit shall not affect the lien for an Assessment.

10.5 Perfection of Lien. The Recording of this Master Declaration and of each Supplemental Declaration constitutes record notice and perfection of the statutory lien. Nor further Recordation of any claim of lien for Assessments is required; however, a claim may be Recorded at the Master Association's option, in which event costs and attorneys' fees incurred in connection with the preparation and filing of such claim shall be assessed against the Lot or Unit as a Reimbursement Assessment.

10.6 Regular Assessments.

(a) A Regular Assessment shall be made annually against each Lot and Unit, based upon an annual Budget prepared by the Executive Board, for purposes of paying (i) the annual costs of operating and administering the Master Association and all other Common Expenses, (ii) reasonable reserves for contingencies, replacements, and other proper purposes, (iii) the costs of services rendered or expenditures incurred by the Master Association to or for less than all Lots or Units, including without limitation the cost of maintaining yards, which costs and expenses shall be assessed only to the Lots or Units benefitted, (iv) the costs of improving or maintaining Limited Common Areas, and reasonable reserves for such costs, which costs shall be assessed only to the Lots designated for the use of said Limited Common Areas, and (v) such other matters as may be reasonably determined by the Executive Board to be the subject of a Regular Assessment;

(b) Regular Assessments shall be allocated in accordance with the Allocated Interests of each Lot and Unit in the Common Interest Community, except that (i) any Common Expense or portion thereof benefitting fewer than all of the Lots or Units shall be assessed exclusively against the Lots or Units benefitted, and (ii) the costs of insurance shall be assessed in proportion to risk, and the costs of utilities shall be assessed in proportion to usage. If Common Expense liabilities are reallocated, Common Expense Assessments and any installment thereof not yet due shall be reallocated in accordance with the reallocated Common Expense liabilities.

(c) Regular Assessments shall be levied on a calendar year basis, except that the initial Regular Assessment period shall commence on the first day of the calendar month or quarter in which the first Lot or Unit is conveyed by Declarant to a Person other than Declarant. Regular Assessments shall be paid in installments on a monthly, quarterly, or semi-annual basis, as the Executive Board may determine from time to time, and shall be due either on the first day of each calendar month or on the first day of each calendar year quarter (January 1, April 1, July 1, and

October 1), or on the first day of a semi-annual period (e.g., January 1, July 1) as appropriate. Unless and until changed to a monthly or semi-annual system by the Executive Board, Regular Assessments shall be due and payable on the first of each calendar quarter. Any Lot or Unit Owner acquiring a Lot or Unit between installment due dates shall pay a pro rata share of the immediately preceding installment.

(d) The Executive Board shall fix the amount of the Regular Assessment, using the budget procedure described blow, at least thirty (30) days before the end of each calendar year. Written notice of the Regular Assessment shall be sent to each Owner. Failure of the Executive Board timely to fix and levy the Regular Assessments for any year or to send a notice thereof to any Owner shall not relieve or release any Owner from liability for payment of Regular Assessments or any installments thereof for that or subsequent years as soon as the Executive Board levies the Regular Assessment and provides notice thereof.

(e) The Executive Board shall also mail to each Owner at least ten (10) days prior to the due date thereof a written notice of the amount of the next quarterly (or monthly or semi-annual, as the case may be) installment of Regular Assessment that is due from such Owner, and the date on which such installment is due pursuant to paragraph 10.6(d) above. Failure of the Executive Board to send timely notice to any Owner of an installment of Regular Assessment due shall not relieve or release any Owner from liability for payment of that installment as soon as the Executive Board in fact provides such notice.

(f) Any surplus funds remaining after payment of or provision for Master Association expenses and any prepayment of or provision for reserves shall be carried forward as a credit against the next year's Budget.

10.7 Master Association Budget. Commencing in 2003, and during the last six (6) months of each year thereafter, the Executive Board shall prepare or cause to be prepared an operating budget (the "Budget") for the next calendar year. The Budget shall provide for the allocation of any surplus funds remaining from any previous Budget period. Within thirty (30) days after adoption of any proposed Budget for the Master Association, the Executive Board shall mail, by ordinary first-class mail, or otherwise deliver, a summary of the Budget to all the Lot and Unit Owners and shall set a date for a meeting of the Lot and Unit Owners to consider ratification of the Budget not less than fourteen (14) nor more than sixty (60) days after the mailing or other delivery of the summary. Such meeting may, but need not be, concurrent with the annual meeting of the Members as provided in the Bylaws. Unless at that meeting sixty-seven percent (67%) of all Lot and Unit Owners reject the Budget, the Budget shall be ratified, whether or not a quorum of Owners is present. In the event that the proposed Budget is rejected, the Budget last ratified by the Lot and Unit Owners shall be continued until such time as the Lot and Unit Owners ratify a subsequent Budget proposed by the Executive Board.

10.8 Initial Lot and Unit Owner Deposit to Reserve Fund. Each purchaser of a Lot or Unit from Declarant shall deposit with the Master Association at the closing of the purchase the

sum of One Hundred Dollars (\$100.00), which sum shall be non-refundable and shall be deposited by the Board in the Master Association's Reserve Fund. This initial deposit shall be in addition to all Assessment obligations and upon the subsequent transfers of a Lot or Unit a transfer fee in the amount of \$100.00 will be due from the purchaser. The Reserve Fund may be used from time to time for any Master Association purpose deemed appropriate by the Executive Board, and the Reserve Fund may be replenished from time to time by the Executive Board in its discretion, by inclusion in the Budget and the Regular Assessments based thereon.

10.9 Special Assessments. In addition to the Regular Assessments and Reimbursement Assessments authorized in this Article 10, the Executive Board may levy, in any assessment year, a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, maintenance or replacement of capital improvements (including related fixtures and personal property and including without limitation irrigation systems, ditches, and ditch systems) to or upon or serving the Common Interest Community, or for excess reconstruction costs or other extraordinary expenses, or for funding any operating deficit of the Master Association. Any Special Assessment for an improvement or expenditure which will benefit fewer than all of the Lots or Units shall only be levied against the Lots or Units benefitted, provided that expenditures in connection with the Master Common Areas (excepting Limited Common Areas) shall be deemed for the general benefit of all Lots and Units, wherever located. Except in the event of an emergency, where no membership vote shall be required, the Executive Board shall not levy a Special Assessment without the approval of the Owners of the Lots and Units that will be subject to the Special Assessment as provided below.

Written notice of any meeting called for the purpose of levying a Special Assessment shall be sent to all Owners of Lots and Units that will be subject to the Special Assessment no less than thirty (30) or more than fifty (50) days before the meeting. At the meeting, the presence of Owners in person or by proxy of at least sixty percent (60%) of the Lots and Units that will be subject to the Special Assessment shall constitute a quorum. If the required quorum is not present, another meeting may be called pursuant to the same notice requirements, and the required quorum at this second meeting shall be only thirty percent (30%) of such Lots and Units. No such second meeting shall be held more than sixty (60) days following the date of the first meeting.

Provided a quorum of Owners entitled to vote is present in person or by proxy, in accordance with the quorum requirements set forth in the preceding paragraph, then the affirmative vote a majority of the Owners so present shall constitute approval of the proposed Special Assessment.

For purposes of this Section 10.9, the term "emergency" shall mean any circumstances or set of circumstances which pose an imminent threat of loss, damage or injury, actual or threatened, to persons or property. Special Assessments shall be allocated in the same manner as Regular Assessments, that is, in accordance with the Allocated Interests of each Lot and Unit in the Common Interest Community, and shall be due and payable to the Master Association on the due date fixed by the Executive Board in the notice given to the Owners of such Special Assessment,

which due date shall be no earlier than thirty (30) days after the giving of such notice. If fewer than all of the Lots and Units will be subject to the Special Assessment, then such Special Assessment shall be allocated equally amongst those Lots and Units.

10.10 Reimbursement Assessments. In addition to Regular and Special Assessments authorized hereunder, the Executive Board may levy against any Owner or Owners, at any time and from time to time, a Reimbursement Assessment for purposes of reimbursing the Master Association for all costs and expenses incurred by it in enforcing any provision of or in remedying any violation of this Master Declaration, or of any Supplemental Declaration, the Articles, Bylaws, Master rules and Regulations or Master Development Guidelines, or any approvals granted by the Development Review Committee, by such Owner or Owners, their Occupant(s), or their agents, employees or contractors. Reimbursement Assessments may also be made by the Executive Board for any other purposes for which this Master Declaration provides for the levying of a reimbursement Assessment. finally, and in addition to the foregoing, a reimbursement Assessment may also be levied in the form of a reasonable fine against an Owner for a violation of this Master Declaration, a Supplemental Declaration, the Articles, Bylaws, or the Master Rules and Regulations, but only after the Owner(s) to be so fined have been provided with Notice and Hearing. Reimbursement Assessments shall be due and payable to the Master Association on the due date fixed by the Executive Board in the notice given to the Owner(s) of such Reimbursement Assessment, which date shall be no earlier than thirty (30) days after the giving of such notice.

10.11 Effect of Nonpayment of Assessments; Remedies of the Master Association. Any Assessment or portion or installment thereof which is not paid when due (or for which a bad check is issued) shall be deemed delinquent and shall bear interest from and after the due date at the rate of interest set by the Executive Board from time to time, which shall not be less than twelve percent (12%) nor more than twenty-one percent (21%) per year, and the Executive Board may also assess a late charge (and/or a bad check charge) thereon. The Executive Board may also elect to accelerate the installment obligations of any Regular Assessment for which an installment is delinquent. The Executive Board may also suspend the delinquent Owner's use of the Master Common Areas and be liable for all costs, including attorneys' fees, which may be incurred by the Master Association in collecting a delinquent Assessment, which collection costs shall be added to the delinquent Assessment. The Executive Board may but shall not be required to record a Notice of Delinquent Assessment or charge against any Lot or Unit as to which an Assessment or charge is delinquent. The Notice shall be executed by an officer of the Executive Board, and shall set forth the amount of the unpaid Assessment or charge, the name of the delinquent Owner and a description of the Lot or Unit.

The Assessment Lien may be foreclosed by the Master Association in the same manner as a mortgage on real property. The Master Association shall be entitled to purchase the Lot or Unit at foreclosure. The Master Association may also bring an action at law against the Owner personally obligated to pay the delinquent Assessment and/or foreclose the lien against said Owner's Lot or Unit in the discretion of the Master Association. No Owner may exempt himself or otherwise avoid liability for the Assessments provided for herein by waiver of the use or enjoyment of any of the Master Common Areas or by abandonment of the Lot or Unit against which the Assessments are

made. where Assessments that are due from any Owner are more than ninety (90) days delinquent, the Executive Board may temporarily suspend any or all Master Association services or benefits to the delinquent Owner and his Lot or Unit, including the right to use Master Common Areas, until all delinquent Assessments are fully paid.

In any action by the Master Association to collect Assessments or to foreclose a lien for unpaid Assessments, the court may appoint a receiver to collect all sums alleged to be due from the Lot or Unit Owner prior to or during the pending of the action. The court may order the receiver to pay any sums held by the receiver to the Master Association during the pending of the action to the extent of the Master Association's Regular Assessments.

10.12 Statement of Unpaid Assessments. The Master Association shall furnish to an Owner or such Owner's designee or to a holder of a security interest or its designee upon written request, delivered personally or by facsimile transmittal, or by certified mail, first class postage prepaid, return receipt requested, to the Master Association, a written statement setting forth the amount of unpaid Assessments currently levied against such owner's Lot or Unit, whether delinquent or not. The statement shall be furnished within fourteen (14) days after receipt of the request and is binding on the Master Association, the Executive Board, and every Owner. If no statement is furnished either delivered personally or by facsimile transmission or by certified mail, first-class postage prepaid, return receipt requested, to the inquiring party, then the Master Association shall have no right to assert a lien upon the Lot or Unit for unpaid Assessments which were due as of the date of the request.

10.13 Assessments for Tort Liability. In the event of any tort liability against the Master Association which is not covered completely by insurance, each Owner shall contribute for the payment of such liability as a Special Assessment. The Master Association may, however, require a larger contribution from fewer than all Owners under any legal or equitable principles regarding liability for negligent or willful acts or omissions.

10.14 Teton Springs Foundation Contribution. Upon the initial sale and each subsequent resale of an improved or unimproved Lot within the Common Interest Community, or of an interest therein, to another Person (excluding gifts, transfers for estate planning purposes, and transfers by court order or by will or intestacy, or transfer by Declarant to project affiliated parties), 1.0% of the gross sales price of the lot shall be paid to the Teton Springs Foundation from the closing. In the case of the sale of improved property, the 1% shall apply to the land portion of the sales price only as reflected by the Teton County Tax Assessor market valuation of the land. This Teton Springs Foundation Contribution requirement shall apply to Lot sales made by Declarant; provided, however, the transfers of unimproved Lots by the Declarant to an affiliate of Declarant for the purposes of allowing the affiliate to construct improvements on such Lots, shall be exempt from the requirements of this paragraph. In addition, Teton Springs Foundation Contributions shall not be required in connection with the sale of improvements or property within the Golf Land, or other property that is transferred for a public purpose.

Declarant, in connection with the interested citizens in the Teton Valley, has caused The Teton Springs Foundation to be organized as an Idaho nonprofit organization. The purpose of The Teton Springs Foundation is to provide funds on an ongoing basis for the benefit of public services, programs, facilities, charities and similar needs of Teton County, Idaho.

The funds will be held in trust and administered by The Teton Springs Foundation, whose directors shall be comprised of community leaders of Teton Valley, Idaho and representatives of the Teton Springs project.

The Notice of this contribution obligation is recorded at the Teton County Clerk and Recorder's Office as Instrument No. 155948 (Exhibit E). If a Teton Springs Foundation Contribution is not paid at the time of sale or transfer of a Lot or Unit as provided herein, the unpaid Teton Springs Foundation Contribution shall bear interest at the rate of eighteen percent (18%) per annum from the date of sale or transfer until paid in full, shall constitute the personal obligation of the purchaser/Lot Owner, and shall be a lien and security interest on the title to the purchaser/Lot Owner which may be foreclosed by the Foundation in the same manner as a mortgage on real property. This lien and security interest does not have precedence and is subordinate to any bona fide mortgage on the property.

ARTICLE 11 EMINENT DOMAIN

11.1 Definition of Taking. The term "taking," as used in this Article 11, shall mean condemnation by eminent domain or sale under threat of condemnation.

11.2 Representation in Condemnation Proceedings of Master Common Areas. In the event of a threatened taking of all or any portion of the Master Common Areas, the Lot and Unit Owners hereby appoint the Master Association through such persons as the Executive Board may designate to represent the Master Association and all of the Lot and Unit Owners in connection therewith. The Master Association shall act in its sole discretion with respect to any awards being made in connection with the taking and shall be entitled to make a voluntary sale to the condemner in lieu of engaging in a condemnation action. Service of process on the Master Association shall constitute sufficient notice to all Lot and Unit Owners, and service of process on each individual Lot and Unit Owner shall not be necessary.

11.3 Award for Master Common Area. Any awards received by the Master Association on account of the taking of Master Common Area shall be paid to the Master Association. The Master Association may, in its sole discretion, retain any award in the general funds of the Master Association or distribute all or any portion thereof to the Lot and Unit Owners as their interests may appear. The rights of a Lot or Unit Owner and the Mortgagee of a Lot or Unit as to any such distribution shall be governed by the provisions of the Mortgage encumbering the Lot or Unit.

11.4 Taking of Lots or Units. If a Lot or Unit is acquired by eminent domain or part of a Lot or Unit is acquired by eminent domain leaving the Lot or Unit Owner with a remnant which may not practically or lawfully be used for any purpose permitted by this Master Declaration, the award must include compensation to the Lot or Unit Owner for that Lot or Unit and its Allocated Interests whether or not any Master Common Area was acquired. Upon acquisition, unless the decree otherwise provides, that Lot's or Unit's Allocated Interests are automatically reallocated to the remaining Lots or Units (as appropriate) in proportion to the respective Allocated Interests of those Lots or Units before the taking. Any remnant of a Lot or Unit remaining after part of a Lot or Unit is taken is thereafter Master Common Area. Otherwise, if part of a Lot or Unit is acquired by eminent domain, the award must compensate the Lot or Unit Owner for the reduction in value of the Lot or Unit and its interest in the Master Common Areas whether or not any Master Common Area was acquired. Upon acquisition, unless the decree otherwise provides:

(a) That Lot's or Unit's Allocated Interests are reduced in proportion to the reduction in the size of the Lot or Unit; and

(b) The portion of Allocated Interests divested from the partially acquired Lot or Unit is automatically reallocated to that Lot or Unit and to the remaining Lots or Units (as appropriate) in proportion to the respective interests of those Lots or Units before the taking, with the partially acquired Lot or Unit participating in the reallocation on the basis of its reduced Allocated Interests.

11.5 Miscellaneous. The court decree shall be recorded in Teton County. The reallocations of Allocated Interests pursuant to this Article shall be confirmed by an amendment to the Master Declaration prepared, executed and recorded by the Master Association.

ARTICLE 12 SPECIAL PROVISIONS

12.1 Air Quality Restrictions. In order to protect against the degradation which occurs to air quality as a result of utilization of solid fuel burning devices, the following restrictions are imposed:

(a) Any solid fuel burning fireplaces, stoves, appliances or other devices allowed anywhere within the Common Interest Community shall be fitted with catalytic converters reducing solid fuel emissions.

(b) All residential units within the Common Interest Community will not be allowed to use solid fuel burning devices but will be allowed an unrestricted number of natural gas burning fireplaces or appliances.

12.2 Duration and Enforceability. The restrictions set forth in this Article 12 shall constitute covenants running with the title to the Common Interest Community and shall be binding

upon Declarant and the Owners and all other persons and parties claiming through the Declarant or Owners and shall be for the benefit of and limitations upon all future Owners of the Common Interest Community and the Lots and Units therein. Notwithstanding any other provision of this Declaration, all use restrictions set forth in this Article 12 shall be enforceable in perpetuity and shall not be amended or terminated by action of the Owners or Declarant nor by any provision for termination of this Declaration. The restrictions of these special environmental use restrictions shall be enforceable in any and all manners provided in this Declaration by any Owners, by Declarant, by the Master Association, or by any County, State or Federal agency charged with preservation of the affected areas. Any such enforcement action may involve a claim for injunctive relief, for damages, or both, and the enforcing party shall be entitled to an award of its reasonable attorney fees and costs of enforcement, including but not limited to, court costs, expert witness fees, and cost of depositions and exhibits.

12.3 Protection of Agricultural Land. It is the intent of the legislature to reduce the loss to the state of its agricultural resources by limiting the circumstances under which agricultural operations may be deemed to be a nuisance. The legislature also finds that the right to farm is a natural right and is recognized as a permitted use throughout the State of Idaho. “Agricultural Operation” includes, without limitation, any facility for the growing, raising or production of agricultural, horticultural and viticultural crops and vegetable products of the soil, poultry and poultry products, livestock, field grains, seeds, hay, apiary and dairy products, and the producing for commercial purposes of livestock or agricultural commodities. No Agricultural Operation or an appurtenance to it shall be or become a nuisance, private or public, by any changed conditions in or about the surrounding nonagricultural activities after the same has been in operation for more than one (1) year, when the operation was not a nuisance at the time the operation began; provided that the provisions of this section shall not apply whenever a nuisance results from the improper or negligent operation of any Agricultural Operation or an appurtenance to it.

12.4 Water Tank Easement. Through cooperative efforts with a neighbor who owns elevated property to the east called Quickwater Ranch, Teton Springs has placed a 500,000 gallon domestic water supply tank at adequate vertical elevation on the neighboring property to provide a gravity flow water supply to the Teton Springs development and certain other properties. The gravity flow system eliminates the requirement for a booster pump station on Teton Springs’ lower elevation property, which in turn reduces the long term operating costs for the water supply system. The water tank and water supply line, to the extent situated on the neighboring property, are allowed by the neighboring property owner to exist pursuant to an easement in favor of Teton Springs and its successors and assigns. The easement is set forth in a document entitled “Grant of Easement (Water Tank)” between Teton Springs and the neighbor. A default by Teton Springs or its assigns or other successors in interest under such easement agreement, or under any of the easement agreements referenced in that document, may constitute a default that could result in termination of the easement rights granted thereunder, and thus loss of rights to use water from the water tank. Teton Springs will be in compliance with the easement agreement as long as the insurance, two domestic water usage rights, and membership privileges to the neighbor are maintained as required. Copies of these documents are available for your review at the Teton

Springs office at One Teton Springs Parkway, Victor, Idaho 83455, along with copies of the two recorded memoranda of easements relating to the water tank easement which were recorded on November 27, 2002 with the Clerk of Teton County, Idaho as Instruments #151483 and #151484.

ARTICLE 13 GENERAL PROVISIONS

13.1 Duration of Master Declaration. The terms of this Master Declaration shall be perpetual.

13.2 Termination of Common Interest Community. The Common Interest Community may be terminated only by the agreement of (i) Lot and Unit Owners to which at least eighty percent (80%) of the votes in the Master Association are allocated, and (ii) the holders of all first Mortgages on Lots and Units. In the event of such termination, the provisions of state law shall apply.

13.3 Amendment of Master Declaration and Plat. This Master Declaration and the Plat may be amended pursuant to state law. The Master Declaration and Plat may be amended by Declarant in certain defined circumstances, including when the Declarant is exercising reserved rights under Article 6 hereof, and for purposes of correcting clerical, typographical, or technical errors. The Act also provides that the Master Declaration and Plat may be amended by the Master Association in certain defined circumstances. Otherwise, and subject always to (i) any provisions of this Master Declaration requiring the consent of Declarant, and (ii) the provisions of Section 3.38 above allowing Owners to amend this Master Declaration (with the consent of the Master Association) in certain circumstances (condominiumizations, lot line adjustments), this Master Declaration and any Supplemental Declarations (including the Plat and any Supplemental Plats) may be amended only by the vote or agreement of Lot and Unit Owners to which more than fifty percent (50%) of the votes in the Master Association are allocated.

Further, state law, except to the extent expressly permitted or required by other provisions of the Act (e.g., permitted Declarant or master Association amendments), no amendment may (i) create or increase special Declarant rights, (ii) increase the number of Lots and Units, or (iii) change the boundaries of any Lot or Unit or the Allocated Interests of a Lot or Unit in the absence of a vote or agreement of Lot and Unit Owners to which at least sixty-seven percent (67%) of the votes in the Master Association are allocated, including sixty-seven percent (67%) of the votes allocated to Lots and Units not owned by Declarant.

Further, except to the extent expressly permitted or required by other provisions of state law, no amendment may change the uses to which any Lot or Unit is restricted in the absence of a vote or agreement of Lot and Unit Owners to which at least sixty-seven percent (67%) of the votes in the Master Association are allocated.

No consent of any mortgage or trust deed holder shall be required to accomplish any such amendments.

With the exception of amendments accomplished by Supplemental Declaration (when lands are annexed to the Common Interest Community), an amendment to this Master Declaration shall be in the form of a "First (or Second, etc.) Amendment to Master Declaration and Plat of Teton Springs." With the exception of Declarant amendments, amendments to this Master Declaration shall be duly executed by the President and Secretary of the Master Association and Recorded in the Office of the Clerk and Recorder of Teton County. All amendments to this Master Declaration shall be indexed in the Grantee's index in the names of the Common Interest Community and the Master Association, and in the Grantor's index in the name of each Person executing the amendment.

13.4 Compliance; Enforcement. Every Owner and Occupant of a Lot or Unit in the Common Interest Community (including Occupants of the Caretaker and Accessory Dwelling Units), and every other Person who may be an authorized user of any part of the Master Common Areas, shall fully and faithfully observe, abide by, comply with and perform all of the covenants, conditions and restrictions set forth in this Master Declaration, any Supplemental Declaration, the Articles, Bylaws, Master Rules and Regulations, the Master Development guidelines and all approvals granted by the Development Review Committee, as the same or any of them may be amended from time to time. In addition to any other rights or remedies that may be provided to any Person under the terms and provisions of this Master Declaration or of any Supplemental Declaration, Declarant (for as long as it holds any of the rights set forth in Article 6 hereof), the Association through its Executive Board, the Development Review Committee as to matters arising under Article 4 hereof, and every Lot and Unit Owner (except an Owner that is delinquent in the payment of Assessments hereunder) shall have the right, acting alone or together with others having such right, to enforce, by any proceeding at law or in equity, any or all of the covenants, conditions, restrictions, assessments, charges, liens, servitudes, easements and other provisions now or hereafter imposed by this Master Declaration, any Supplemental Declaration, the Articles, Bylaws, Master Rules and Regulations, the Master Development guidelines, and approvals granted by the Development Review Committee.

Such enforcement rights shall include without limitation the right to bring an injunctive action for any form of injunctive relief available under Idaho law (including specific performance), or an action for damages, or both. Injunctive relief may include, without limitation, orders to stop work, orders to remove Improvements constructed in violation hereof, orders to compel performance, and any other orders appropriate under the circumstances.

The Executive Board shall have the further right (a) to levy and collect, after Notice and Hearing, reasonable fines for the violation of any of the foregoing matters, (b) to levy and collect a Reimbursement Assessment against any Owner, (c) to enter upon any Lot or Unit within the Common Interest Community, after giving the Lot or Unit Owner or Occupant at least five (5) days' written notice of the nature of the violation, (unless an emergency exists, in which case without notice), without liability to the Owner or Occupant thereof, to enforce or cause compliance with such matters, at the cost and expense of the Owner or Occupant in violation, and/or (d) where

the violation has continued for more than ninety (90) days after the Executive Board has given the Lot or Unit Owner or Occupant written notice of the violation, the Executive Board may temporarily cut off any or all Master Association services or benefits to the subject Owner or Occupant and his Lot or Unit, including the right to use Master Common Areas (except access roads), until the violation is cured.

In any action brought under this Section 13.4 the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs incurred in connection therewith. Failure by any party entitled to do so to exercise in a particular instance any of the rights available to it under this Section 13.4 shall in no event be deemed a waiver of the right to do so in any other instance.

Provided always, that no Owner shall have the right to bring an enforcement action against another Owner or Occupant for breach by the Owner or Occupant of any of such matters, or against the Master Association for a breach by the Master Association of any of such matters or for a failure by the Master Association to enforce compliance with such matters by others, until the aggrieved Owner has given the offending Owner or Occupant and the Master Association at least thirty (30) days prior written notice of the aggrieved Owner's complaint and the opportunity to resolve the problem during that thirty (30) day period.

And further provided, that notwithstanding any law to the contrary, no action shall be commenced or maintained to enforce the terms of any building restriction contained in the provisions of this Master Declaration, any Supplemental Declaration, the Bylaws, the Articles of Incorporation, or the Master Rules and Regulations, or to compel the removal of any building or Improvement because of the violation of the terms of any such building restriction, unless the action is commenced within one (1) year from the date from which the person commencing the action knew or in the exercise of reasonable diligence should have known of the violation for which the action is sought to be brought or maintained.

13.5 Rights of First Mortgagees. Upon the filing of a written request therefor with the Master Association, the holder of a First Mortgage on any Lot or Unit in the Common Interest Community shall be entitled to:

- (a) Written notice from the Master Association that the Owner of the subject Lot or Unit is delinquent in the payment of Assessments thereon;
- (b) Inspect the books and records of the Master Association during normal business hours;
- (c) Receive copies of annual Master Association financial statements;
- (d) Receive written notice of meetings of the Master Association where matters will be considered that, if approved, will require the consent of First Mortgagees or some of them;

- (e) Receive written notice of condemnation proceedings affecting any Master Common Areas; and
- (f) Receive written notice of the lapse of any insurance that the Master Association is required to maintain under this Master Declaration.

In addition, any first Mortgagee shall be entitled to pay any taxes or other charges which are in default and which may or have become a lien against the Master Common areas and may pay any overdue premiums on hazard or general liability insurance policies covering the Master Common Areas, and shall be entitled to immediate reimbursement therefor from the Master Association, unless the Master Association is contesting any unpaid taxes or other charges and has set aside sufficient funds to pay the contested amounts if necessary.

13.6 Golf Land and Facilities. In no event and for no purpose shall the Golf Land or any golf course improvements or facilities constructed thereon or related thereto be deemed to be a part of the Common Interest Community, or be burdened by this Master Declaration or any Supplemental Declaration. No Lot or Unit shall have any right (i) to have the golf course and/or facilities constructed in any particular location on the Golf Land, (ii) to have or preserve a visual or sight easement over and across any portion of the Golf Land, and/or (iii) to have access to or across the Golf Land along any particular alignments.

13.7 Golf Land Hazards, Risks and Liabilities: Disclosure, Assumption of Risk, Release and Indemnification. The Golf Land will be used as a public golf course and related improvements, facilities and uses. By acceptance of a deed to a Lot or Unit, each Lot and Unit Owner acknowledges and agrees that the golf course use enhances the value of the Lot or Unit by providing pleasant surroundings and open space for the Common Interest Community. Each Lot and Unit Owner further acknowledges (i) that the use and operation of the Golf Land as a golf course involves certain risks to the Common Interest Community, including but not limited to damage to property and improvements and personal injury and death caused by errant golf balls that may be hit into the Common Interest Community, and (ii) that while the Common Interest Community has been designed to minimize these risks to the extent reasonably possible, it would be impossible to render the Common Interest Community free of all golf course-related risks. Certain of the more common hazards associated with the operation of a golf course are more particularly described in subsections (a) through (g) below (collectively the “Golf Course Hazards”).

(a) Errant Golf Balls. Owners of Lots or Units, particularly Lots or Units abutting the Golf Land, acknowledge the inherent risk of errant golf balls and assume and accept such risk. Owners acknowledge and accept the risk that golfers may attempt to retrieve errant golf balls from Lots or Units and each Owner agrees to release and waive any claims said Owner may have as a result of such retrieval.

(b) View Impairment/Privacy. Owners of Lots or Units, including Owners of Lots or Units abutting the Golf Land, have no guarantee that their view over and across the Golf Land will

be forever preserved without impairment or that the view from the Golf Land will not be impaired. The Golf Owner has no obligation to the owners to prune or not prune trees or other landscaping and such Golf Owner may change, add to or reconfigure the golf course and related facilities and improvements on the Golf Land, including structural improvements, trees, landscaping, tees, bunkers, fairways and greens, without liability or obligation to the Owners.

(c) Pesticides and Fertilizers. Pesticides, fertilizers and other chemicals may be utilized in connection with the operation of the Golf Land and related landscaping and the Owners of Lots and Units acknowledge, accept and assume the risks associated with the use of pesticides, fertilizers and other chemicals.

(d) Over spray. Owners of Lots or Units, particularly Owners of Lots or Units abutting the Golf Land, may experience "Over spray" from the golf Land irrigation system, and such Owners acknowledge, accept and assume the risks associated with such "Over spray."

(e) Noise and Light; Tournaments. Owners of Lots or Units, particularly Owners of Lots or Units in proximity to the golf course clubhouse, may be exposed to lights, noise or activities resulting from the use of the golf course for tournaments, from the use of the clubhouse for dining and entertainment, and from use of the parking lot, and such Owners acknowledge, accept and assume the risks associated with such uses.

(f) No Access. The Owner of each Lot and Unit abutting any portion of the golf Land, by accepting a deed to his Lot or Unit, acknowledges that the Golf Owner may not permit access to any portion of the Golf Land directly from any Lot or Unit. Such access will only be permitted through the clubhouse and at such other entry points as the Golf Owner may from time to time specifically designate. Accordingly, each Owner of a Lot or Unit abutting any portion of the Golf Land agrees not to access the Golf Land directly from his Lot or Unit (unless otherwise expressly permitted by the Golf Owner), and agrees not to permit any of his Occupants, family, guests, invitees, licensees or any other person to do so.

(g) Maintenance. The Golf Land and related improvements and facilities require daily maintenance, including mowing, irrigation and grooming, during early morning, evening and night hours, including without limitation the use of tractors, mowers, blowers, pumps, compressors and utility vehicles. Owner of Lots or Units, particularly Owners of Lots or Units in proximity to the Golf Land, will be exposed to the noise and other effects of such maintenance, and such Owners acknowledge, accept and assume the risks associated with such maintenance activities.

IN CONSIDERATION FOR THE ABOVE-ACKNOWLEDGED ENHANCEMENT IN VALUE, AND WITH FULL AWARENESS OF THESE AND OTHER RISKS, BY ACCEPTING THE DEED TO A LOT OR UNIT EACH OWNER FOR HIMSELF AND HIS OCCUPANTS, INVITEES, LICENSEES, SUCCESSORS AND ASSIGNS (COLLECTIVELY THE "OWNER'S RELATED PARTIES") HEREBY (I) ACKNOWLEDGES, ACCEPTS AND ASSUMES THE RISKS ASSOCIATED WITH SAID GOLF COURSE HAZARDS AND OF ANY DAMAGE TO PROPERTY OR TO THE VALUE OF PROPERTY, DAMAGE TO IMPROVEMENTS,

PERSONAL INJURY OR DEATH, OR THE CREATION OR MAINTENANCE OF A TRESPASS OR NUISANCE, CAUSED BY OR ARISING IN CONNECTION WITH ANY OF SAID GOLF COURSE HAZARDS OR OTHER RISKS, HAZARDS AND DANGERS ASSOCIATED WITH THE OPERATION OF A PUBLIC GOLF COURSE (COLLECTIVELY THE "ASSUMED RISKS"), AND (II) RELEASES, WAIVES, DISCHARGES, COVENANTS NOT TO SUE, INDEMNIFIES AND AGREES TO DEFEND AND HOLD HARMLESS THE DECLARANT, THE OFFICERS, DIRECTORS, PARTNERS, SHAREHOLDERS, MEMBERS, AFFILIATES, EMPLOYEES, CONTRACTORS, CONSULTANTS, AGENTS, SUCCESSORS AND ASSIGNS (COLLECTIVELY THE "RELEASE PARTIES"), AND EACH OF THEM, FROM ANY AND ALL LIABILITY TO THE OWNER OR OWNER'S RELATED PARTIES FOR ANY DAMAGES, LOSSES, COSTS (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES), CLAIMS, DEMANDS, SUITS, JUDGMENTS, ORDINARY NEGLIGENCE, OR OTHER OBLIGATIONS ARISING OUT OF OR CONNECTED IN ANY WAY WITH ANY OF THE ASSUMED RISKS. THIS RELEASE IS INTENDED TO BE A COMPREHENSIVE RELEASE OF LIABILITY BUT IS NOT INTENDED TO ASSERT DEFENSES WHICH ARE PROHIBITED BY LAW. NOTWITHSTANDING THE FOREGOING, HOWEVER, THIS SECTION 13.7 SHALL NOT LIMIT THE LIABILITY OF INDIVIDUAL GOLFERS USING THE GOLF LAND.

In addition to the foregoing, the Golf Course Play and Operational Easement (Exhibit F) also establishes certain easements and restrictions upon portions of the Common Interest Community for the benefit of the Golf Owner and the Golf Land, and each Owner of a Lot or Unit acknowledges having read that document and being familiar with the terms thereof.

The acknowledgments, assumptions of risk and agreements contained in this Section 13.7 shall be deemed to run with the title to each Lot and Unit within the Common Interest Community.

13.8 Notice. Each Lot and Unit Owner, and each First Mortgagee if it so elects, shall register its mailing address from time to time with the Master Association. Except as otherwise specifically provided in this Master Declaration, any notice permitted or required to be given hereunder shall be in writing and may be delivered either personally, or by facsimile transmission, or by mail. Notices delivered personally or sent by facsimile transmission shall be deemed given on the date so delivered or sent. If delivery is made by mail, it shall be deemed to have been delivered two (2) business days after a copy of the same has been posted in the first-class U.S. Mail with adequate postage affixed, addressed to the receiving party at the address last registered by such party with the Master Association, or in the case of a Lot or Unit Owner that has not provided such an address, to the Lot or Unit of that Owner. Notices to the Master Association shall be sent to such address as it may from time to time designate in writing to each owner.

13.9 No Dedication to Public Use. Except for the streets and pedestrian path conveyed to the County for public use by separate instrument, and except as otherwise expressly provided herein to the contrary, nothing contained in this Master Declaration or in any Supplemental

Declaration shall be deemed to be or to constitute a dedication of all or any part of the Common Interest Community to the public or to any public use.

13.10 Interpretation of Master Declaration and Supplemental Declarations. The provisions of this Master Declaration and of all Supplemental Declarations shall be liberally construed to effectuate its purposes of creating a common and general plan for the development, improvement, enhancement, protection and enjoyment of the Common Interest Community, and to the extent possible, shall be construed so as to be consistent with the Act. In the event that any of the terms and conditions of this Master Declaration or of any Supplemental Declaration are determined to be inconsistent with the Act, the Act shall control.

13.11 Conflict With Plats. This provision does not limit the remedies that may be available under this Master Declaration or at law or in equity. Failure of the Master Association to bring enforcement action to correct any violation of this Master Declaration or any Supplemental Declaration shall not constitute a waiver of or estop the Master Association from bringing a future or subsequent enforcement action to correct such violation or any other similar violation.

13.14 Declarant's Disclaimer of Representations and Warranties. No representations or warranties of any kind, express or implied, have been given or made or shall be deemed to have been given or made by Declarant or its agents or employees in connection with the Common Interest Community or the Golf Land or any portion thereof or any Improvements thereon, its or their physical condition, zoning, compliance with applicable laws, fitness for intended use or operation, adequacy or availability of utilities, or in connection with the subdivision, sale, improvement, operation, maintenance, cost of maintenance, taxes or regulation thereof, unless and except as shall be specifically set forth in writing herein, in any registration statement or purchase

13.19 Governing Law; Jurisdiction. The laws of the State of Idaho shall govern the interpretation, validity, performance, and enforcement of this Master Declaration and any Supplemental Declaration. 13.20 Severability. Any determination by any court of competent jurisdiction that any provision of this Master Declaration or of any Supplemental Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other provisions hereof. Where any provision of this Master Declaration or any Supplemental Declaration is alleged to be or declared by a court of competent jurisdiction to be unconscionable, Declarant shall have the right by amendment to this Master Declaration or Supplement Declaration to replace such provision with a new provision, as similar thereto as practicable but which in Declarant's reasonable opinion would be considered not to be unconscionable.
