The delinquent accounts have been paid in full in many cases and with recent foreclosures more cabins are currently paying dues. The cabin association currently has a checking account balance of \$134,155. All present discussed creating a reserve account that the association would pay into quarterly or slightly reducing dues. All present were in favor of reserves.*

*GTPM Report-Brett Marcum with Cold Springs Irrigation is doing a great job despite the large amount of vole damage this year. He only charges \$32 per house for landscaping.*
