

TETON SPRINGS

Volume 5, Issue 4

Fall 2015

SNOW MACHINES

While we are enjoying these beautiful late summer days, the crisp morning air serves as our reminder that winter is fast approaching. The Teton Springs Homeowners Association would like to remind all owners and their guest of the neighborhood rules as they apply to snow machines:

- ~Snow machines cannot be operated within the Teton Springs subdivision (this includes on the Golf Course). Snow machines must be on a trailer coming into and out of the subdivision.
- ~Snow machines cannot be stored on any driveway. They can however be stored within an enclosed garage.

Please feel free contact Grand Teton Property Management if you have any questions or need any clarification on these guidelines.

DESIGN REVIEW COMMITTEE

The DRC will continue to meet during the fall and winter months. If you have a project that you wish to get approved for the spring or summer of 2016, let Demerie Northrop at Grand Teton Property Management know so you can be included on the agenda.

UPDATING OUR RECORDS

Grand Teton Property Management wants to make sure we have the most current and up-to-date contact information for you. If you have an address or phone number change or you would like to share your email address with us, please email Demerie with that information. We are also able to email your quarterly statements to you instead of mailing them. If you are interested in that option, please be sure to drop us a line. dnorthrop@wyom.net

BEARS

As the leaves on the trees change and fall descends upon the valley we would like to remind everyone of the importance of adhering to the **Bear Conflict Mitigation** standards set forth by **Teton County, Idaho**. These are for the protection of the bears and humans alike. These standards include the following guidelines:

- * Trash cans should be certified bear resistant containers. However if an owner chooses not to use them, trash should be placed out at the end of the driveway no earlier than 8am on Thursday morning and returned to a bear-proof structure no later than 6pm Thursday evening. Cans should be stored inside bear proof structures on non-pick up days. Fines may be assessed for trash cans that are left out beyond the approved timeframes.

- * Bird feeders should be at least 10 feet from the ground, deck, railing or surface and four feet from any structure or tree limb and should have a catch pan attached directly underneath that is 2" larger in diameter than the widest diameter of the feeder itself.

Questions or concerns can be addressed to the Planning & Zoning department at 208-354-2593.

LAWN AND LANDSCAPE MAINTENANCE

Now is a great time to schedule your fall/ winter clean-up and winterization for your landscaping if you have not done so already. Winter is just around the corner. The Golf Course plans on turning off their irrigation in October (weather permitting).

CALENDAR OF EVENTS

BOARD OF DIRECTORS MEETINGS

MASTER BOD – OCTOBER 6TH AT 10:00

REMINDERS

Dogs: Please remember to keep your dogs under control at all times when out and about in Teton Springs. This is for the safety of the residents and dogs.

Speeding: Please be courteous and mindful of your speed throughout all of Teton Springs. The speed limit is 25 mph for the safety and welfare of all residents and guests.

Ponds: No swimming, boating or ice skating on any lake or pond. Please keep dogs out of the water as well for the health of the ponds and lakes.

DID YOU KNOW?

Autumn marks the transition from summer into winter. It is a beautiful time of year with crisp air, colorful leaves and a harvest of plentiful vegetables. The days get shorter and leaves begin to fall from the trees. When leaves change color in the fall they are becoming their true color. In the summer the chlorophyll (which is how the leaves receive nourishment from the sun) takes over and causes them to turn green and hide their color. Photosynthesis stops in the cooler weather allowing the beautiful vibrant colors to show. Due to cooler temperatures you sleep longer and are more naturally likely to fall in love. Autumn is also the official Aurora Season, the aurora borealis, also known as the northern lights. So enjoy the cooler weather, a beautiful light show and the dazzling colors nature provides in this amazing place we are lucky to call home.

HOA PAYMENTS

As a reminder, homeowners will be assessed \$50 late fees and 21% interest on any unpaid balances after 30 days.
