Fall 2019

BEARS

As the leaves on the trees change and fall descends upon the valley, we would like to remind everyone of the importance of adhering to the **Bear Conflict Mitigation** standards set forth by **Teton County, Idaho**. These are for the protection of the bears and humans alike. These standards include the following guidelines:

- * Trash cans should be certified bear resistant containers. Regardless, trash should be placed out at the end of the driveway no earlier than 8am on Friday morning and returned to a bear-proof structure no later than 6pm Friday evening. Trash cans should be stored inside bear proof structures on non-pick up days. Fines may be assessed for trash cans that are left out beyond the approved timeframes.
- * Bird feeders should be at least 10 feet from the ground, deck, railing or surface and four feet from any structure or tree limb and should have a catch pan attached directly underneath that is 2" larger in diameter than the widest diameter of the feeder itself.

Questions or concerns can be addressed to the Planning & Zoning department at 208-354-2593.

REMINDERS

Dogs: Please always remember to keep your dogs under control when out and about in Teton Springs. This is for the safety of the residents and dogs. There have been several issues with this in recent months and it is quite problematic.

Speeding: Please be courteous and mindful of your speed throughout Teton Springs. The speed limit is **25 mph** for the safety and welfare of all residents and guests.

Ponds: No swimming, boating or ice skating on any lake or pond.

DESIGN REVIEW COMMITTEE

THE DRC WILL CONTINUE TO MEET ON THE THIRD WEDNESDAY OF EACH MONTH. IF YOU HAVE A PROJECT THAT YOU WISH TO GET APPROVED, LET DEMERIE NORTHROP AT GRAND TETON PROPERTY MANAGEMENT KNOW THE WEEK PRIOR SO YOU CAN BE INCLUDED ON THE AGENDA

LAWN AND LANDSCAPE MAINTENANCE

Now is a great time to schedule your fall/ winter clean-up and winterization for your landscaping if you have not done so already. Winter is just around the corner. The Golf Course plans on turning off their irrigation in October (weather permitting).

UPDATING OUR RECORDS

Grand Teton Property Management wants to make sure we have the most current and up-to-date contact information for you. If you have an address or phone number change or you would like to share your email address with us, please email Demerie with that information. We are also able to email your quarterly statements to you instead of mailing them. If you are interested in that option, please be sure to drop us a line. dnorthrop@wyom.net

SHORT TERM RENTING

Homeowners, many of you are aware of the short-term rental policy in Teton Springs. For those of you who have questions, please be advised that according to the governing documents for Teton Springs, any rental for less than 30 days is considered "short term".

Please remember that only the Cabins, Teton Springs Lodge and Palisades Condo Owners are permitted to rent their properties for less than 30 days. Any other homeowner will be in violation of the covenants and subject to fines.

Please contact Grand Teton Property Management if you have any questions about this rule, as it is strictly enforced.

TRASH REMINDERS

To avoid any undue attractants for wildlife in Teton Springs please remember that all trash cans must be bear proof and are **not** to be left out on the curb overnight either before or after your scheduled pick-up on Fridays. Compliance is essential to keep our neighborhood clean and safe for our residents.

DID YOU KNOW?

Fall is a peak migration time for many species of birds. During autumn, birds will fly to other areas seeking more hospitable climates. The Arctic tern journeys about 11,000 miles each way for its annual migration. That is like going all the way across the United States about three and a half times. In Greek mythology, autumn was the time when Persephone, the daughter of Demeter, was abducted by Hades, the god-king of the underworld. During this time, Demeter, the goddess of the harvest, was distraught and the ground grew sparse and cold. When Persephone returned in the springtime, plants and life bloomed anew because of Demeter's happiness. Autumn marks the transition from summer into winter. It is a beautiful time of year with crisp air, colorful leaves and a harvest of plentiful vegetables. The days get shorter and leaves begin to fall from the trees. Red and purple leaves are caused by the sugars from sap trapped inside the leaves and the yellow and orange colors show when the green chlorophyll in the leaves diminishes allowing the other pigments to show through. Whether you are migrating this fall or are here to enjoy the months to come, we wish you a very happy autumn season.
